GENERAL INFORMATION ABOUT VOTING

Record Date

As of April 12, 2017, the record date for the Annual Meeting, 14,424,128 shares of our Common Stock were outstanding. Only holders of record of our Common Stock as of the close of business on the record date are entitled to notice of, and to vote at, the Annual Meeting or at any adjournment or postponement thereof. A list of such holders will be open to the examination of any stockholder for any purpose germane to the meeting at Jaguar Animal Health, Inc., 201 Mission Street, Suite 2375, San Francisco, CA 94105 for a period of ten (10) days prior to the Annual Meeting. The list of stockholders will also be available for such examination at the Annual Meeting.

Quorum and Revocability of Proxies

Each share of our Common Stock entitles the holder of record thereof to one vote. No other securities are entitled to be voted at the Annual Meeting. Each stockholder may vote in person or by proxy on all matters that properly come before the Annual Meeting and any adjournment or postponement thereof. The presence, in person or by proxy, of stockholders entitled to vote a majority of the shares of Common Stock outstanding on the record date will constitute a quorum for purposes of voting at the Annual Meeting. Properly executed proxies marked “ABSTAIN” or “WITHHOLD AUTHORITY,” as well as broker non-votes will be counted as “present” for purposes of determining the existence of a quorum. If a quorum should not be present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

Our Board of Directors (the “Board”) is soliciting the enclosed proxy for use in connection with the Annual Meeting and any postponement or adjournment thereof. If the enclosed proxy is voted via the Internet, by telephone or the proxy card is executed and returned, the shares represented by it will be voted as directed on all matters properly coming before the Annual Meeting for a vote. For each proposal, you may vote “FOR,” “AGAINST” or you may elect to either: “WITHHOLD AUTHORITY” (Proposal 1) or “ABSTAIN” (Proposal 2 or Proposal 3). Returning your completed proxy card or voting on the Internet or by telephone will not prevent you from voting in person at the Annual Meeting should you be present and desire to do so. You may revoke your proxy by (a) delivering to the Secretary of the Company at or before the Annual Meeting a written notice of revocation bearing a later date than the proxy, (b) duly executing a subsequent proxy relating to the same shares of Common Stock and delivering it to the Secretary of the Company at or before the Annual Meeting or (c) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy). Any written notice revoking a proxy should be delivered at or prior to the Annual Meeting to: Jaguar Animal Health, Inc., 201 Mission Street, Suite 2375, San Francisco, CA 94105, Attention: Karen S. Wright. Beneficial owners of our Common Stock who are not holders of record and wish to revoke their proxy should contact their bank, brokerage firm or other custodian, nominee or fiduciary to inquire about how to revoke their proxy.

The shares represented by all valid proxies received will be voted in the manner specified on the proxies. Where specific choices are not indicated on a valid proxy, the shares represented by such proxies received will be voted: (1) for the nominees for director named in this Proxy Statement; (2) for the ratification of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2017; (3) for the approval of the issuance of additional shares of our common stock to Aspire Capital Fund LLC, or Aspire Capital, under common stock purchase agreement dated June 8, 2016, or the CSPA; and (4) in accordance with the best judgment of the persons named in the enclosed proxy, or their substitutes, for any other matters that properly come before the Annual Meeting.

We will bear all expenses of this solicitation, including the cost of preparing and mailing this Proxy Statement. In addition to solicitation by use of the mail, proxies may be solicited by telephone, facsimile or personally by our directors, officers and employees, who will receive no extra compensation for their services. We will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy soliciting materials to beneficial owners of shares of Common Stock.

Broker Voting

Brokers holding shares of record in “street name” for a client have the discretionary authority to vote on some matters if they do not receive instructions from the client regarding how the client wants the shares voted at least 10 days before the date of the Annual Meeting. There are also some matters

with respect to which brokers do not have discretionary authority to vote if they do not receive timely instructions from the client. When a broker does not have discretion to vote on a particular matter and the client has not given timely instructions on how the broker should vote, a broker non-vote results. Any broker non-vote will be counted as present at the Annual Meeting for purposes of determining a quorum, but will be treated as not entitled to vote with respect to certain matters.

The proposal to ratify the appointment of our independent registered public accounting firm (Proposal 2) is considered a “routine” item and brokers are permitted to vote in their discretion on this matter on behalf of clients who have not furnished voting instructions at least 10 days before the date of the Annual Meeting. In contrast, the proposal to elect directors (Proposal 1) and the proposal to issue additional shares to Aspire Capital (Proposal 3) are not considered “routine” items and brokers do not have discretionary authority to vote on behalf of clients on such matters.

Required Vote

Proposal 1

In voting with regard to the proposal to elect directors (Proposal 1), you may vote in favor of all nominees, withhold your vote as to all nominees or vote in favor of or withhold your vote as to specific nominees. The vote required to approve Proposal 1 is governed by Delaware law, our Second Amended and Restated Certificate of Incorporation and our Amended and Restated Bylaws and is a plurality of the votes cast by the holders of shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, in accordance with Delaware law, votes that are withheld will be counted in determining whether a quorum is present but will have no other effect on the election of directors. Stockholders have no right to cumulative voting as to any matter, including the election of directors.

Proposal 2

In voting with regard to the proposal to ratify the Audit Committee’s appointment of the independent registered public accounting firm (Proposal 2), you may vote in favor of the proposal, vote against the proposal or abstain from voting. The vote required to approve the proposal is governed by Delaware law, our Second Amended and Restated Certificate of Incorporation and our Amended and Restated Bylaws and is the affirmative vote of the holders of a majority of the shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present and the number of votes required to obtain the necessary majority vote and therefore will have the same legal effect as voting against the proposal.

Proposal 3

In voting with regard to the proposal to issue additional shares to Aspire Capital (Proposal 3), you may vote in favor of the proposal, vote against the proposal or abstain from voting. The vote required to approve the proposal is governed by Delaware law, our Second Amended and Restated Certificate of Incorporation and our Amended and Restated Bylaws and is the affirmative vote of the holders of a majority of the shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present and the number of votes required to obtain the necessary majority vote and therefore will have the same legal effect as voting against the proposal.

The corporate action described in this Proxy Statement will not afford to stockholders the opportunity to dissent from the actions described herein and receive an agreed or judicially appraised value for their shares of Common Stock.

PROPOSAL 2—RATIFICATION OF APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017, and the Board is asking stockholders to ratify that selection. Representatives of BDO USA, LLP are expected to attend the Annual Meeting in order to respond to questions from stockholders and will have the opportunity to make a statement.

Principal Accountant Fees and Services

The following table sets forth the fees billed for audit and other services rendered:

	Years ended December 31,	
	2016	2015
Audit Fees	\$413,792	\$459,830
Audit Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total	<u>\$413,792</u>	<u>\$459,830</u>

Audit fees include fees and out-of-pocket expenses, whether or not yet invoiced, for professional services provided in connection with the audit of our annual financial statements and review of our quarterly financial statements. In 2015, audit fees also include fees for our initial public offering. In 2015 and 2016, audit fees include reviews of services provided in connection with other SEC filings.

Policy on Audit Committee Preapproval of Audit and Permissible Non-audit Services of the Independent Registered Public Accounting Firm

As specified in the Audit Committee charter, the Audit Committee pre-approves all audit and non-audit services provided by the independent registered public accounting firm prior to the receipt of such services. Thus, the Audit Committee approved 100% of the services set forth in the above table prior to the receipt of such services and no services were provided under the permitted *de minimus* threshold provisions.

The Audit Committee of the Board of Directors determined that the provision of such services was compatible with the maintenance of the independence of BDO USA, LLP.

The Board of Directors unanimously recommends that the stockholders vote “FOR” Proposal No. 2 to ratify the appointment of BDO USA, LLP as the independent registered public accounting firm of Jaguar Animal Health, Inc. for the fiscal year ended December 31, 2017.

PROPOSAL 3—APPROVAL, PURSUANT TO NASDAQ LISTING RULE 5635(D), OF THE ISSUANCE OF ADDITIONAL SHARES OF JAGUAR COMMON STOCK TO ASPIRE CAPITAL

At our annual meeting, holders of our common stock will be asked to approve the issuance of an additional 3,555,514 shares of our common stock to Aspire Capital pursuant to the common stock purchase agreement, or CSPA, between Aspire Capital and us, dated June 8, 2016. The CSPA limits the number of shares that we can sell to Aspire Capital thereunder to 2,027,490 shares, which equals 19.99% of our outstanding shares as of the date of the CSPA (such limit, sometimes referred to herein as the 19.99% exchange cap), unless either (i) we obtain stockholder approval to issue more than such 19.99% exchange cap or (ii) the average price paid for all shares of our common stock issued under the CSPA is equal to or greater than \$1.32 per share, a price equal to the closing sale price of our common stock on the date of the execution of the CSPA, in either case in compliance with Nasdaq Listing Rule 5635(d).

We have been using the net proceeds generated from the CSPA to fund our working capital needs and anticipate continuing to do so, subject to stockholder approval of this proposal. As of April 1, 2017, we sold 2,444,486 shares of our common stock to Aspire Capital pursuant to the CSPA, for gross proceeds of approximately \$3,227,134. Because of the 19.99% exchange cap, unless our stockholders approve this proposal, we will not be able to sell any additional shares to Aspire Capital where the average price paid for all shares issued under the CSPA is below \$1.32 per share, and we would need to seek alternative sources of financing. We are seeking stockholder approval for the issuance of an additional 3,555,514 shares of our common stock under the CSPA, which when combined with the 2,444,486 shares that we have already sold to Aspire Capital, equals an aggregate of 6,000,000 shares. We would seek additional stockholder approval before issuing more than such 6,000,000 shares.

Background

On June 8, 2016, we entered into the CSPA with Aspire Capital. Upon the terms and subject to the conditions and limitations set forth in the CSPA, Aspire Capital is committed to purchase up to an aggregate of \$15.0 million of our shares of common stock over the approximately 30-month term of the CSPA, which commenced in June 2016. In consideration for entering into the CSPA, concurrently with the execution of the CSPA, we issued to Aspire Capital 456,667 shares of our common stock as a commitment fee (sometimes referred to herein as the commitment shares). We also concurrently entered into a registration rights agreement with Aspire Capital, in which we agreed to file one or more registration statements as permissible and necessary to register under the Securities Act of 1933 the sale of the shares of our common stock that have been and may be issued to Aspire Capital under the CSPA. We filed a registration statement on Form S-1 (File No. 333-212173) registering the sale of up to 3,000,000 shares of our common stock by Aspire Capital, which registration statement was declared effective by the SEC on July 8, 2016, and then filed a registration statement on Form S-1 (File No. 333-213751) registering the sale of up to 3,000,000 additional shares of our common stock by Aspire Capital, which registration statement was declared effective by the SEC on October 5, 2016.

As of April 1, 2017, there were 14,424,128 shares of our common stock outstanding (9,738,436 shares held by non-affiliates), including the 2,444,486 shares previously issued to Aspire Capital pursuant to the CSPA. If we were to issue to Aspire Capital the remaining 3,555,514 shares of our common stock previously registered under the registration statements described above, we would have issued a total of 6,000,000 shares to Aspire Capital under the CSPA, which would have represented approximately 33.4% of the total common stock outstanding or approximately 45.1% of the non-affiliate shares of common stock outstanding as of April 1, 2017. Under the CSPA, we have the right but not the obligation to register for sale more than the 6,000,000 shares of common stock previously registered.

On July 12, 2016, the conditions necessary for purchases under the CSPA were satisfied. On any trading day on which the closing sale price of our common stock exceeds \$0.50, we have the right, in our sole discretion, to present Aspire Capital with a purchase notice, or each a Purchase Notice, directing Aspire Capital (as principal) to purchase up to 100,000 shares of our common stock per trading day, up to \$15.0 million of our common stock in the aggregate at a per share price, or the Purchase Price, equal to the lesser of:

- the lowest sale price of our common stock on the purchase date; or
- the arithmetic average of the three lowest closing sale prices for our common stock during the ten consecutive trading days ending on the trading day immediately preceding the purchase date.

In addition, on any date on which we submit a Purchase Notice for 100,000 shares to Aspire Capital, we also have the right, in our sole discretion, to present Aspire Capital with a volume-weighted average price purchase notice, or each a VWAP Purchase Notice, directing Aspire Capital to purchase an amount of stock equal to up to 30% of the aggregate shares of our common stock traded on the Nasdaq Capital Market on the next trading day, or the VWAP Purchase Date, subject to a maximum number of shares we may determine, or the VWAP Purchase Share Volume Maximum, and a minimum trading price, or the VWAP Minimum Price Threshold (as more specifically described below). The purchase price of such shares, or the VWAP Purchase Price, is the lower of:

- the closing sale price on the VWAP Purchase Date; or
- 97% of the volume-weighted average price for our common stock traded on the NASDAQ Capital Market:
 - on the VWAP Purchase Date, if the aggregate shares to be purchased on that date have not exceeded the VWAP Purchase Share Volume Maximum or
 - during that portion of the VWAP Purchase Date until such time as the sooner to occur of (i) the time at which the aggregate shares traded on the NASDAQ Capital Market exceed the VWAP Purchase Share Volume Maximum or (ii) the time at which the sale price of our common stock falls below the VWAP Minimum Price Threshold.

The Purchase Price will be adjusted for any reorganization, recapitalization, non-cash dividend, stock split, or other similar transaction occurring during the trading day(s) used to compute the Purchase Price. We may deliver multiple Purchase Notices and VWAP Purchase Notices to Aspire Capital from time to time during the term of the CSPA, so long as the most recent purchase has been completed.

The CSPA and registration rights agreement are attached as Exhibit 10.1 and Exhibit 4.1, respectively, to our Current Report on Form 8-K filed with the SEC on June 9, 2016.

Stockholder Approval Requirement

As noted above, the CSPA restricts the amount of shares that may be sold to Aspire Capital to the 19.99% exchange cap, or 2,027,490 shares. We can remove this 19.99% exchange cap by obtaining stockholder approval in compliance with the applicable Listing Rules of the Nasdaq Stock Market. Our common stock is listed on the Nasdaq Capital Market and, as such, we are subject to the Nasdaq Listing Rules.

Pursuant to Nasdaq Listing Rule 5635(d), stockholder approval is required prior to the issuance of securities in connection with a transaction other than a public offering involving: (i) the sale, issuance or potential issuance by us of common stock (or securities convertible into or exercisable for common stock) at a price less than the greater of book or market value which together with sales by our officers, directors or substantial stockholders equals 20% or more of common stock or 20% or more of

the voting power outstanding before the issuance; or (ii) the sale, issuance or potential issuance by us of common stock (or securities convertible into or exercisable common stock) equal to 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book or market value of the stock. Stockholder approval of this proposal will constitute stockholder approval for purposes of Nasdaq Listing Rule 5635(d).

We are seeking stockholder approval for the issuance of an additional 3,555,514 shares of our common stock under the CSPA, which when combined with the 2,444,486 shares that we have already sold to Aspire Capital, equals an aggregate of 6,000,000 shares. Our Board of Directors previously reserved 6,000,000 shares for issuance under the CSPA, and we would seek additional stockholder approval before issuing more than such 6,000,000 shares. We would also seek additional stockholder approval before agreeing to any increase in the value of the shares of common stock that we may issue to Aspire Capital under the CSPA above \$15.0 million.

Reasons for Transaction and Effect on Current Stockholders

Our Board of Directors has determined that the CSPA with Aspire Capital is in the best interests of us and our stockholders because the right to sell shares to Aspire Capital provides us with a reliable source of capital and the ability to access that capital when and as needed.

The CSPA does not affect the rights of the holders of our shares of common stock currently outstanding, but the sale of shares to Aspire Capital pursuant to the terms of the CSPA will have a dilutive effect on the existing stockholders, including the voting power and economic rights of the existing stockholders. If we were to sell to Aspire Capital all 3,555,514 shares we are seeking stockholder approval to issue under the CSPA, Aspire Capital would have purchased in the aggregate under the CSPA approximately 33.4% of our outstanding shares.

The CSPA provides that we shall not issue, and Aspire Capital shall not purchase, any shares of our common stock under the CSPA if such shares proposed to be issued and sold, when aggregated with all other shares of our common stock then owned beneficially (as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended) by Aspire Capital and its affiliates, would result in the beneficial ownership by Aspire Capital and its affiliates of more than 19.99% of then issued and outstanding shares of our common stock. Unlike the 19.99% exchange cap, which limits the aggregate number of shares we may issue to Aspire Capital under the CSPA, this beneficial ownership limitation limits the number of shares Aspire Capital may beneficially own at any one time to 19.99% of our outstanding common stock. Consequently, the number of shares Aspire Capital may beneficially own in compliance with the beneficial ownership limitation may increase over time as the number of outstanding shares of our common stock increases over time. Aspire Capital may sell some or all of the shares it purchases under the CSPA, permitting it to purchase additional shares in compliance with the beneficial ownership limitation. The beneficial ownership limitation reflects the requirements of Nasdaq Listing Rule 5635(b), which requires stockholder approval prior to the issuance of securities when the issuance or potential issuance will result in a change of control of Jaguar. Generally, Nasdaq considers a change of control to have occurred when, as a result of an issuance, an investor would own, or have the right to acquire, 20% or more of the outstanding shares of our common stock and such ownership is the largest ownership position. We are not seeking stockholder approval to lift such 19.99% beneficial ownership limitation. However, even with the beneficial ownership limitation, Aspire Capital may be in a position to exert influence over us and there is no guarantee that the interests of Aspire Capital will align with the interests of other stockholders.

Our stockholders are not entitled to dissenters' rights with respect to this proposal, and we will not independently provide stockholders with any such right.

The Board of Directors unanimously recommends that the stockholders vote "FOR" Proposal No. 3 to issue additional shares of our common stock to Aspire Capital in accordance with the stockholder approval requirements of NASDAQ Listing Rule 5635(d).

CORPORATE GOVERNANCE

Director Independence

Our common stock is listed on The NASDAQ Capital Market. Under the NASDAQ rules, independent directors must comprise a majority of a listed company's board of directors. In addition, NASDAQ rules require that, subject to specified exceptions, each member of a listed company's Audit, Compensation and Nominating Committee be independent. Audit Committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Under the NASDAQ rules, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

To be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, our board of directors, or any other board committee (1) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or (2) be an affiliated person of the listed company or any of its subsidiaries.

In February 2017, our board of directors undertook a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our board of directors has determined that six of our seven directors do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the NASDAQ rules. Our board of directors also determined that Mr. Micek (chairperson), Mr. Bochnowski, Mr. Qiu, Dr. Yang and Dr. Azhir, who comprise our Audit Committee, Mr. Bochnowski (chairperson), Mr. Kamphuis, Mr. Micek and Dr. Azhir, who comprise our Compensation Committee, and Mr. Bochnowski (chairperson), Mr. Kamphuis and Mr. Micek, who comprise our Nominating Committee, satisfy the independence standards for those committees established by applicable SEC rules and the NASDAQ rules and listing standards.

In making this determination, our board of directors considered the relationships that each non-employee director has with us and all other facts and circumstances our board of directors deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director.

With one exception (as described below), each director who served as a director during 2016 participated in 75% or more of the meetings of the Board and of the committees on which he or she served, if any, during the year ended December 31, 2016 (during the period that such director served). Dr. Yang attended one of the ten meetings of the Board and all of the meetings of the Audit Committee on which he served during the year ended December 31, 2016.

We do not have a written policy on board attendance at annual meetings of stockholders. We encourage, but do not require, our directors to attend the Annual Meeting.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our President and Chief Executive Officer, our Chief Financial Officer and other employees who perform financial or accounting functions. The Code of Business Conduct and Ethics sets forth the basic principles that guide the business conduct of our employees. A current copy of the code is on our website at <http://investors.jaguaranimalhealth.com/phoenix.zhtml?c=253723&p=irol-govhighlights>. We intend to disclose future amendments to certain provisions of our code of business conduct and ethics, or waivers of such provisions on our website to the extent required by applicable rules and exchange requirements. The inclusion of our website address in this proxy statement does not incorporate by reference the information on or accessible through our website into this proxy statement.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee has ever been an officer or employee of our company. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or Compensation Committee or other board committee performing equivalent functions of any entity that has one or more of its executive officers serving on our board of directors or Compensation Committee.

Limitation of Liability and Indemnification

Our second amended and restated certificate of incorporation and amended and restated bylaws contain provisions that limit the personal liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Delaware law provides that directors of a corporation will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for:

- any breach of the director's duty of loyalty to us or our stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law, or DGCL; or
- any transaction from which the director derived an improper personal benefit.

Such limitation of liability does not apply to liabilities arising under federal securities laws and does not affect the availability of equitable remedies, such as injunctive relief or rescission.

Our second amended and restated certificate of incorporation provides that we indemnify our directors to the fullest extent permitted by Delaware law. In addition, our amended and restated bylaws provide that we indemnify our directors and officers to the fullest extent permitted by Delaware law. Our amended and restated bylaws also provide that we shall advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity, regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. We have entered and expect to continue to enter into agreements to indemnify our directors, executive officers and other employees as determined by our board of directors. With certain exceptions, these agreements provide for indemnification for related expenses including, among others, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our second amended and restated certificate of incorporation and amended and restated bylaws and our indemnification agreements, may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty of care. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Furthermore, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers. There is no pending litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought, and we are not aware of any threatened litigation that may result in claims for indemnification.

Board Leadership Structure

Our second amended and restated bylaws and corporate governance guidelines provide our board of directors with flexibility in its discretion to combine or separate the positions of Chairperson of the board and chief executive officer. As a general policy, our board of directors believes that separation of the positions of Chairperson and chief executive officer reinforces the independence of the board of directors from management, creates an environment that encourages objective oversight of management's performance and enhances the effectiveness of the board of directors as a whole. We

expect and intend the positions of Chairperson of the board and chief executive officer to be held by two individuals in the future.

Risk Oversight

Our board of directors monitors our exposure to a variety of risks through our Audit Committee. Our Audit Committee charter gives the Audit Committee responsibilities and duties that include discussing with management and the independent auditors our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies.

Nomination of Directors

There have been no material changes to the procedures by which stockholders may recommend nominees to our Board of Directors. Recommendations to the Board of Directors for election as directors of Jaguar at an annual meeting may be made only by the Nominating Committee or by the Company's stockholders (through the Nominating Committee) who comply with the timing, informational, and other requirements of our Bylaws. Stockholders have the right to recommend persons for nomination by submitting such recommendation, in written form, to the Nominating Committee, and such recommendation will be evaluated pursuant to the policies and procedures adopted by the Board. Such recommendation must be delivered to or mailed to and received by the Secretary of the Company at the principal executive offices not later than 120 calendar days prior to the anniversary of the date the Company's prior year proxy statement was first made available to stockholders, except that if no annual meeting of stockholders was held in the preceding year or if the date of the annual meeting of stockholders has been changed by more than 30 calendar days from the date contemplated at the time of the preceding year's proxy statement, the notice shall be received by the Secretary at the Company's principal executive offices not less than 150 calendar days prior to the date of the contemplated annual meeting or the date that is 10 calendar days after the date of the first public announcement or other notification to stockholders of the date of the contemplated annual meeting, whichever first occurs. The deadline to submit recommendations for election as directors at the 2017 Annual Meeting has already passed. Stockholders who wish to present proposals for inclusion in the proxy materials to be distributed in connection with next year's Annual Meeting proxy statement must submit their proposals so that they are received by the Company before December 18, 2017, which is 120 calendar days before April 17, the date on which the Company's prior year's proxy statement was first made available to the Company's stockholders. The Board of Directors has not yet determined the date of the 2018 Annual Meeting of the Company's Stockholders, but does not currently anticipate that the date will be changed by more than 30 calendar days from the date of this year's annual meeting.

The Nominating Committee, in accordance with the board's governance principles, seeks to create a board that has the ability to contribute to the effective oversight and management of the Company, that is as a whole strong in its collective knowledge of and diversity of skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business judgment, biotechnology industry knowledge, corporate governance and global markets. When the Nominating Committee reviews a potential new candidate, the Nominating Committee looks specifically at the candidate's qualifications in light of the needs of the Board and the Company at that time given the then current mix of director attributes.

General criteria for the nomination and evaluation of director candidates include:

- loyalty and commitment to promoting the long term interests of the Company's stockholders;
- the highest personal and professional ethical standards and integrity;

- an ability to provide wise, informed and thoughtful counsel to top management on a range of issues;
- a history of achievement that reflects superior standards for themselves and others;
- an ability to take tough positions in constructively-challenging the Company's management while at the same time working as a team player; and
- individual backgrounds that provide a portfolio of personal and professional experience and knowledge commensurate with the needs of the Company.

The Nominating Committee must also ensure that the members of the board as a group maintain the requisite qualifications under the applicable NASDAQ Stock Market listing standards for populating the Audit, Compensation and Nominating Committees.

Written recommendations from a stockholder for a director candidate must include the following information:

- the stockholder's name and address, as they appear on our corporate books;
- the class and number of shares that are beneficially owned by such stockholder;
- the dates upon which the stockholder acquired such shares; and
- documentary support for any claim of beneficial ownership.

Additionally, the recommendation needs to include, as to each person whom the stockholder proposes to recommend to the Nominating Committee for nomination to election or reelection as a director, all information relating to the person that is required pursuant to Regulation 14A under the Exchange Act, as amended, and evidence satisfactory to us that the nominee has no interests that would limit their ability to fulfill their duties of office.

Once the Nominating Committee receives a recommendation, it will deliver a questionnaire to the director candidate that requests additional information about his or her independence, qualifications and other information that would assist the Nominating Committee in evaluating the individual, as well as certain information that must be disclosed about the individual in the Company's proxy statement, if nominated. Individuals must complete and return the questionnaire within the time frame provided to be considered for nomination by the Nominating Committee.

The Nominating Committee will review the stockholder recommendations and make recommendations to the Board of Directors that the Committee feels are in the best interests of the Company and its stockholders.

The Nominating Committee has not received any recommendations from stockholders for the 2017 Annual Meeting.

Narrative to Summary Compensation Table

Understanding our history is key to the understanding of our compensation structure for 2015 and 2016. After our initial public offering closed on May 18, 2015, the executive officers of privately-held Jaguar Animal Health, Inc. became our named executive officers.

Base Salary

On July 2, 2015, the Compensation Committee increased Ms. Conte's annual base salary from \$400,000 to \$440,000, Dr. King's annual base salary from \$255,000 to \$280,500, and Mr. Kallassy's annual base salary from \$245,000 to \$286,500. The pay increases were effective June 15, 2015. On December 15, 2015, upon receiving the resignation of Mr. Kallassy, the Company's Board of Directors appointed Karen S. Wright as the Company's new Chief Financial Officer. Ms. Wright's annual base salary is \$240,000. Dr. Waltzman's annual base salary is \$330,000.

Bonuses

On July 10, 2015, we paid discretionary bonuses to Ms. Conte, Dr. King and Mr. Kallassy of \$45,000, \$19,125 and \$17,913, respectively. We also paid an additional bonus of \$6,923 to Mr. Kallassy on February 6, 2015. The amount of each of these bonuses is set forth in the "Bonus" column in the Summary Compensation Table.

We paid sign-on bonuses to Dr. Waltzman of \$10,000 of which \$5,000 was paid on September 30, 2016 and \$5,000 was paid on October 15, 2016.

Severance

Equity Compensation

Ms. Conte, Dr. King and Mr. Kallassy received stock option grants at the time they were hired by privately-held Jaguar Animal Health, Inc. Such options generally vest over time, with 25% of the options vesting after nine months of employment and monthly vesting thereafter with full vesting after three years. Ms. Wright and Dr. Waltzman each received stock option grants with a similar vesting schedule at the time they were hired by us. The board of directors periodically grants additional options to the current named executive officers that typically vest ratably over a three-year period.

Upon our initial public offering on May 18, 2015, the named executive officers received RSUs. Fifty percent of the RSUs shares vested and were issued on 01/01/2016, and, subject to the terms of the RSU award, the remaining 50% will vest and be issuable on 07/01/2017.

All stock options and restricted stock units issued to our current named executive officers vest and become exercisable upon a change in control.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

The following includes a summary of transactions since January 1, 2016, to which we have been a party in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, executive officers or beneficial owners of more than 5% of our capital stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest. Compensation arrangements for our directors and executive officers are described elsewhere in this proxy statement.

Transactions with Napo

Formation

We were founded in San Francisco, California as a Delaware corporation on June 6, 2013. Napo formed our company to develop and commercialize animal health products. In connection with our formation, we issued 2,666,666 shares of common stock to Napo, pursuant to a stock purchase agreement, for \$400 in cash and services to be provided by Napo to our company pursuant to the Service Agreement discussed below. As of December 31, 2013, we were a wholly-owned subsidiary of Napo and as of December 31, 2014, we were a majority-owned subsidiary of Napo. As of May 13, 2015, we are no longer a majority-owned subsidiary of Napo.

Napo Merger Agreement

On March 31, 2017, we entered into an Agreement and Plan of Merger, or the merger agreement, with Napo, Napo Acquisition Corporation, a Delaware corporation and our wholly-owned subsidiary, or Merger Sub, and Gregory Stock, the Napo representative, pursuant to which, among other things, subject to the satisfaction or waiver of the conditions set forth in the merger agreement, Merger Sub will merge with and into Napo, with Napo becoming our wholly-owned subsidiary and the surviving corporation of the merger.

Subject to the terms and conditions of the merger agreement, at the closing of the merger, we will issue in the aggregate approximately 43,102,595 shares of our non-voting common stock and 2,005,245 shares of our voting common stock to Napo's creditors and shareholders. We will also assume (i) each outstanding and unexercised option to purchase Napo common stock, which will be converted into options to purchase our common stock, (ii) each outstanding warrant to purchase Napo capital stock, which will be converted into warrants to purchase our common stock, and (iii) each outstanding restricted stock unit to acquire Napo capital stock, which will be converted into restricted stock units to acquire our common stock.

Our stockholders will continue to own their existing shares and the rights and privileges of their existing shares will not be affected by the merger. However, because we will be issuing new shares of our common stock and non-voting common stock to Napo creditors, and options, warrants and restricted stock units exercisable for our common stock to holders of Napo options, warrants and restricted stock units in the merger, our stockholders will experience dilution as a result of the issuance of shares in the merger and each outstanding share of our common stock immediately prior to the merger will represent a smaller percentage of the total number of shares of our common stock and non-voting common stock issued and outstanding after the merger. It is expected that our stockholders and option and warrant holders before the merger will hold approximately 25% of the our total common stock and non-voting common stock issued and outstanding on a fully diluted basis immediately following completion of the merger. Thus, our stockholders before the merger will experience dilution in the amount of approximately 75% as a result of the merger.

Our Board of Directors and executive management is expected to remain unchanged following the effective time of the merger.

Napo/Salix Settlement Agreement

In March 2016, Napo settled ongoing litigation with Salix Pharmaceuticals, Inc., or Salix (now owned by Valeant Pharmaceuticals International), and rights to develop, manufacture and commercialize crofelemer previously licensed to Salix in December 2008 in North America, certain European Union countries and Japan were terminated and returned to Napo, along with certain crofelemer active pharmaceutical ingredient inventory and Mytesi® drug product inventory and land. Pursuant to the settlement agreement between Napo and Salix, or the Napo/Salix Settlement Agreement, upon the consummation of the contemplated merger, we are required to enter into a letter agreement with Salix, or the Letter Agreement, in the form set forth in Schedule 4.8(c) of the Letter Agreement, pursuant to which we will agree to assume, be bound by, and perform certain provisions of the Napo/Salix Settlement Agreement as though we were added alongside Napo as an additional named person for purposes of such provisions.

Napo Service Agreement

Effective July 1, 2016, we and Napo entered into an employee leasing and overhead allocation agreement, or the 2016 Service Agreement. The initial term of the 2016 Service Agreement was from July 1, 2016 to December 31, 2016, and the term has been extended until the completion of a successful merger between the two companies, or until the proposed merger has been terminated. In connection with the 2016 Service Agreement, we provided to Napo the services of our employees, primarily in the areas of supply, manufacturing and quality control and general administrative positions. The 2016 Service Agreement stipulated that Napo reimburse us for a portion of our overhead costs including an allocated amount for rent. For additional information relating to the Service Agreement, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Financial Operations Overview.”

Napo License Agreement

In January 2014, we entered into the Napo License Agreement, pursuant to the term sheet for which we paid Napo a \$100,000 option fee, and agreed to make royalty and milestone payments to Napo based on sales of our products. Lisa A. Conte, our Chief Executive Officer, President and member of our board of directors is also the interim chief executive officer and serves on the board of directors of Napo. For additional information relating to the Napo License Agreement, see “Business—Intellectual Property—Napo License” in the Company’s Form 10-K.

In connection with the entry into certain financing arrangements in October 2014, which we refer to as the Nantucket Financing Arrangements, Napo and Nantucket Investments Limited, or Nantucket, on behalf of Napo’s secured lenders, entered into a non-disturbance agreement with respect to the Napo License Agreement. The non-disturbance agreement provides that we are a third party beneficiary of such agreement and also provides, among other items, that notwithstanding any transfer of or sale or other disposition by Nantucket of the intellectual property and technology licensed to us pursuant to the Napo License Agreement, including without limitation, in connection with any enforcement of the Nantucket Financing Arrangements, transfer in lieu of enforcement or by operation of law, the intellectual property and technology licensed to us pursuant to the Napo License Agreement shall remain subject to the Napo License Agreement, the Napo License Agreement shall survive in accordance with its terms, and our rights under the Napo License Agreement shall not be terminated unless we fail to make payments thereunder within the time periods required.

Napo Arrangements

Lease

Our corporate headquarters were located in San Francisco, California, where we rented approximately 3,125 square feet of office space. Since our formation in June 2013 through June 2015, we shared premises with Napo pursuant to its lease. See “Napo Service Agreement” above. Since March 2014, we made the rent payments under Napo’s lease. The lease was assigned to us in June 2014 and expired in June 2015.

AUDIT COMMITTEE REPORT

Management has primary responsibility for our financial statements and the overall reporting process, including maintaining effective internal control over financial reporting and assessing the effectiveness of our system of internal controls. The independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present our financial position, results of operations and cash flows in conformity with U.S. generally accepted accounting principles, and discusses with the Audit Committee any issues it believes should be raised with the Audit Committee. These discussions include a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Audit Committee monitors our processes, relying, without independent verification, on the information provided to it and on the representations made by management and the independent registered public accounting firm.

BDO USA, LLP (BDO), our Company's independent auditor for the year ended December 31, 2016, is responsible for expressing an opinion on the fairness of the presentation of the Company's financial statements in conformity with accounting principles generally accepted in the United States of America, in all material respects.

In this context, the Audit Committee has reviewed and discussed with management and BDO the audited financial statements for the year ended December 31, 2016. The Audit Committee has discussed with BDO the matters that are required to be discussed under the Public Accounting Oversight Board Auditing Standard No. 16 "*Communication with Audit Committees*". BDO has provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board's Ethics and Independence rule 3526 "*Communications with Audit Committees Concerning Independence*", and the Audit Committee has discussed with BDO that firm's independence. The Audit Committee has concluded that BDO's provision of audit and non-audit services to the Company are compatible with BDO's independence.

Based on the considerations and discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited financial statements for the year ended December 31, 2016 be included in our Annual Report on Form 10-K for 2016. The Board of Directors has not determined the date of the 2018 Annual Meeting of the Company's Stockholders, but does not currently anticipate that the date will be changed by more than 30 calendar days from the date of this year's annual meeting.

AVAILABILITY OF ANNUAL REPORT TO STOCKHOLDERS AND REPORT ON FORM 10-K

A copy of our Annual Report to Stockholders on Form 10-K for the year ended December 31, 2016, filed on February 15, 2017, which includes certain financial information about the Company, is enclosed as an exhibit to this Proxy. Copies of our Annual Report on Form 10-K for the fiscal year ended December 31, 2016 as filed with the Securities and Exchange Commission (exclusive of exhibits and documents incorporated by reference), may also be obtained for free by directing written requests to: Jaguar Animal Health, Inc., Attention: Karen S. Copies of exhibits and basic documents filed with the Annual Report on Form 10-K or referenced therein will be furnished to stockholders upon written request and payment of a nominal fee in connection with the furnishing of such documents. You may also obtain the Annual Report on Form 10-K over the Internet at the SEC's website, www.sec.gov, or at <http://phx.corporate-ir.net/phoenix.zhtml?c=253723&p=irol-sec>.

LIST OF THE COMPANY'S STOCKHOLDERS

A list of our stockholders as of April 12, 2017, the record date for the Annual Meeting, will be available for inspection at our corporate headquarters during normal business hours during the 10-day period prior to the Annual Meeting. The list of stockholders will also be available for such examination at the Annual Meeting.

DELIVERY OF PROXY MATERIALS TO HOUSEHOLDS

Unless contrary instructions are received, we may send a single copy of the Annual Report, Proxy Statement and Notice of Annual Meeting to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. Each stockholder in the household will continue to receive a separate proxy card. This process is known as "householding" and helps reduce the volume of duplicate information received at a single household, which reduces costs and expenses borne by us.

If you would like to receive a separate set of our annual disclosure documents this year or in future years, follow the instructions described below and we will deliver promptly a separate set. Similarly, if you share an address with another stockholder and the two of you would like to receive only a single set of our annual disclosure documents, follow the instructions below:

1. If your shares are registered in your own name, please contact our transfer agent by writing to them at Computershare Investor Services, PO Box 30170, College Station, Texas 77842-3170 (Attn: Jaguar Animal Health, Inc. Representative) or calling 1-800-962-4284.
2. If a bank, broker or other nominee holds your shares, please contact your bank, broker or other nominee directly.

OTHER MATTERS THAT MAY COME BEFORE THE ANNUAL MEETING

Our Board of Directors knows of no matters other than those referred to in the accompanying Notice of Annual Meeting of Stockholders which may properly come before the Annual Meeting. However, if any other matter should be properly presented for consideration and voting at the Annual Meeting or any adjournments or postponements thereof, it is the intention of the persons named as proxies on the enclosed form of proxy card to vote the shares represented by all valid proxy cards in accordance with their judgment of what is in the best interest of the Company.

By Order of the Board of Directors.
