Sagard is the direct owner of the securities of the Issuer reported herein as beneficially owned by each of the Reporting Persons. Sagard is principally engaged in the business of investing in securities. GP is the general partner of Sagard and Manager is the investment manager of Sagard.

For each of the Reporting Persons, the principal business address, which also serves as the principal office, is 280 Park Avenue, 3rd Floor West, New York, NY 10017.

As a result of direct and indirect securities holdings, Power Corporation of Canada (“PCC”) and The Desmarais Family Residuary Trust (the “Trust”), which was created on October 8, 2013 under the Last Will and Testament of Paul G. Desmarais, the trustees of which are Paul Desmarais Jr., André Desmarais, Sophie Desmarais, Michel Plessis-Bélair and Guy Fortin, may be deemed to control the Reporting Persons. Decisions with respect to voting the shares of PCC held directly and indirectly by the Trust are determined by a majority of the trustees, excluding Sophie Desmarais. Exhibit A hereto identifies persons through whom the Trust may be deemed to control PCC and, in turn, Sagard. PCC, a corporation organized under the laws of Canada, is a diversified management and holding company with its principal place of business at 751 Victoria Square, Montreal (Québec), Canada H2Y 2J3. The Trust was formed under the laws of Québec and has its address at 759 Square Victoria, Montreal (Québec), Canada H2Y 2J7. Sagard Holdings ULC (“Holdings”), a corporation organized under the laws of Canada, is a limited partner of Sagard and the sole stockholder of Manager and also may be deemed to control the Reporting Persons. Holdings has its address at 751 Victoria Square, Montreal (Québec), Canada H2Y 2J3. The filing of this Statement, including the exhibits, shall not be construed as an admission that any of the control relationships enumerated herein actually exist.

The name, citizenship, occupation and principal business address of each of the directors and executive officers of GP and Manager are listed in Exhibit B and the name, citizenship, occupation and principal business address of each of the directors and executive officers of PCC and Holdings, and the trustees of the Trust (other than Sophie Desmarais), are listed in Exhibit C hereto.

(d) – (e).

During the last five years, none of the Reporting Persons, nor any of their respective directors or executive officers, nor any of the persons listed on Exhibit A, Exhibit B or Exhibit C, have been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and, as a result of such proceeding was, or is, subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, United States federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

Pursuant to the Series A Preferred Stock Purchase Agreement (the “Preferred Stock Purchase Agreement”) dated March 23, 2018, between the Issuer and Sagard, on such date Sagard agreed to

4

purchase 5,524,926 shares (the “Purchased Series A Shares”) of the Issuer’s Series A Convertible Participating Preferred Stock, \$0.0001 par value per share (the “Preferred Stock”), for an aggregate purchase price of \$9,199,001 (the “Private Placement”). All Purchased Series A Shares held by Sagard were acquired with Sagard’s working capital.

Item 4. Purpose of Transaction.

As described in Item 3, on March 23, 2018, Sagard entered into the Preferred Stock Purchase Agreement with the Issuer providing for the Private Placement to Sagard, on the terms and subject to the conditions of the Preferred Stock Purchase Agreement, of 5,524,926 newly issued Purchased Series A Shares, for an aggregate cash purchase price of \$9,199,001, which was paid in cash to the Issuer and/or upon its direction and consent, including the payment of certain indebtedness of the Issuer and the payment of Sagard’s legal fees. The closing of the Private Placement occurred on March 23, 2018.

Preferred Stock Purchase Agreement

The Preferred Stock Purchase Agreement provides for customary representations, warranties and covenants among the parties. Among other things, the Preferred Stock Purchase Agreement required that the Issuer (i) file a certificate of designation providing for the rights, preferences and privileges of the Preferred Stock with the Secretary of State of the State of Delaware (the “Certificate of Designation”) and (ii) enter into a Registration Rights Agreement (as defined below) with Sagard providing for the registration of shares of the Voting Common Stock issuable upon conversion of the Purchased Series A Shares (the “Conversion Shares”).

In addition, so long as Sagard or its affiliates own, in the aggregate, no less than 50% or more of the cumulative amount of the Purchased Series A Shares issued in the Private Placement and Conversion Shares, taken together, Sagard and its affiliates have the right to purchase (x) 100% of the first \$10 million of any new equity securities or equity-linked securities issued by the Issuer and, thereafter, (y) a pro rata portion of any new equity securities or equity-linked

securities that the Issuer may issue from time to time, subject to certain exceptions specified in the Preferred Stock Purchase Agreement, including but not limited to the Issuer's right to issue an additional \$2.0 million of Voting Common Stock within 20 business days of the closing of the Private Placement.

The Purchased Series A Shares are subject to a 12-month lock-up period, which period may be shortened in limited circumstances specified in the Preferred Stock Purchase Agreement.

As set forth below under "Series A Preferred Stock," the holders of a majority of the outstanding shares of Preferred Stock have board designation rights. Moreover, at such time as no shares of Preferred Stock are outstanding, and so long as Sagard holds (i) at least 35% of the total number of the Conversion Shares that have been issued upon conversion of all shares of Preferred Stock issued in the Private Placement, Sagard shall be entitled thereunder to nominate two directors of the Issuer (each, a "Series A Director") and (ii) less than 35% but at least 20% of the total number of the Conversion Shares that have been issued upon conversion of all shares of Preferred Stock issued in the Private Placement, Sagard shall be entitled thereunder to nominate one director of the Issuer.

Notwithstanding the foregoing, the number of Series A Directors shall be reduced to the extent necessary to comply with the Issuer's obligations, if any, under the rules or regulations of the Nasdaq Stock Market (including Nasdaq Listing Rule 5640). The Preferred Stock Purchase Agreement provides that, if one Series A Director may not be appointed due to compliance with Nasdaq Listing Rule 5640, then Sagard shall be entitled to designate one Board Observer to attend meetings of the Board, the board of directors of any subsidiary of the Issuer and each committee of any of the foregoing as an observer.

The Preferred Stock Purchase Agreement also provides that Sagard has the right to designate at least one non-voting observer (subject to increase to two if at any time two designees of the Purchased Series A Shares and the Conversion Shares are not represented on the Issuer's Board of Directors (the "Board")) to attend meetings of the Board, the board of directors of any subsidiary of the Issuer and each committee of any of the foregoing (a "Board Observer").

Series A Preferred Stock

In conjunction with the Preferred Stock Purchase Agreement, the Issuer adopted and filed with the Secretary of State of the State of Delaware the Certificate of Designation authorizing 5,524,926 shares of Preferred Stock and providing for the rights, preferences and privileges of the Preferred Stock. Any reference to share prices in the below description of the Preferred Stock, including but not limited to the conversion price for the Purchased Stock and the amount of the liquidation preference per share, is subject to adjustment in the event of any stock dividend, stock split, reverse stock split, combination or other similar recapitalization, as further described in the Certificate of Designation.

Dividends

Holders of shares of Preferred Stock are entitled to participate equally and ratably with the holders of shares of Voting Common Stock and the Issuer's Non-Voting Common Stock, par value \$0.0001 per share (the "Non-Voting Common Stock" and, together with the Voting Common Stock, the "Common Stock") in all dividends paid and distributions made to the holders of Common Stock on the shares of Common Stock on an as converted basis.

Election of Directors and Voting Rights

The holders of a majority of the outstanding shares of Preferred Stock are entitled to elect two (2) members of the Board. Notwithstanding the foregoing, the number of Series A Directors shall be reduced to the extent necessary to comply with the Issuer's obligations, if any, under the rules or regulations of the Nasdaq Stock Market (including Nasdaq Listing Rule 5640).

To fill one of the two newly created vacancies, the Board appointed Jeffery C. Johnson to serve as a Class III director of the Issuer until the 2018 annual meeting of stockholders or until his successor is elected and qualified. Mr. Johnson was also appointed by the Board to serve as a member of its Compensation Committee. Mr. Johnson is a partner at Holdings and an investment manager at Manager. No decision has yet been made as to the identity of the second Series A Director.

The holders of shares of Preferred Stock have the right to vote with holders of shares of the Voting Common Stock, voting together as one class on all other matters, with each share of Preferred Stock entitling the holder thereof to cast that number of votes per share as is equal to the aggregate number of shares of Voting Common Stock into which it is then convertible, using the market value of the Voting Common Stock on the date of the Preferred Stock Agreement as the conversion price; provided that, at any time prior to the time the Issuer obtains stockholder approval, as required pursuant to Nasdaq Rule 5635(b), no holder (together with such holder's attribution parties) is permitted to have a number of votes in excess of such aggregate number of votes granted to the holders of 19.99% of the shares of Voting Common Stock then outstanding (including any votes with respect to any shares of Voting Common Stock and Preferred Stock beneficially owned by the holder or such holder's attribution parties).

Voluntary Conversion

Each share of Preferred Stock is initially convertible into nine shares of Voting Common Stock at an effective conversion price of \$0.185 per share (based on an original price per Preferred Share of \$1.665),

provided that, at any time prior to the time the Issuer obtains stockholder approval, as required pursuant to Nasdaq Rule 5635(b) any conversion of Preferred Stock by a holder into shares of the Voting Common Stock would be prohibited if, as a result of such conversion, the holder, together with such holder's attribution parties, would beneficially own more than 19.99% of the total number of shares of the Voting Common Stock issued and outstanding after giving effect to such conversion. The conversion price is subject to certain adjustments in the event of any stock dividend, stock split, reverse stock split, combination or other similar recapitalization.

Mandatory Conversion

The shares of Preferred Stock will be mandatorily converted upon the date and time, or the occurrence of an event, specified by vote or written consent of the holders of a majority of the then outstanding shares of Preferred Stock at a conversion price of \$0.185 per share. In each case, shares of Voting Common Stock will be held in abeyance to the extent necessary to satisfy limitations on beneficial ownership as described under “Voluntary Conversion” above.

Optional Redemption

At any time after the first anniversary of the issuance of the Purchased Series A Shares, so long as certain call conditions specified in the Certificate of Designation have been satisfied, the Issuer shall have the right to offer to redeem shares of Preferred Stock at a share price equal to two times the original share issue price of the Purchased Series A Shares. The Issuer is only permitted to exercise this right to redeem two times, the first of which must be for an aggregate redemption price of \$9,199,001 and the second of which must be for all remaining shares of Preferred Stock remaining. If a holder of shares of Purchased Stock fails to accept the Issuer’s redemption offer, such holder’s shares of Preferred Stock shall be automatically converted into shares of Voting Common Stock pursuant to the terms of “Mandatory Conversion” as described above.

Mandatory Redemption

If (i) the Issuer’s consolidated net revenues attributable to the Issuer’s Mytesi products (“Mytesi Revenues”) for the six-month period ended March 31, 2021 are less than \$22 million, (ii) the average volume-weighted average price of the Common Stock for the thirty days immediately prior to the Measurement Date (as defined below) is less than \$1.00 or (iii) the Issuer fails to file with the U.S. Securities and Exchange Commission (the “SEC”) on or before June 30, 2021 its quarterly report on Form 10-Q for the three months ended March 31, 2021, then the holders of at least a majority of the shares of Preferred Stock then outstanding may require the Issuer to redeem all shares then outstanding at a per share purchase price equal to \$2.3057. For purposes of the foregoing sentence, “Measurement Date” means the later of (x) April 30, 2021 and (y) the date on which the Issuer files its quarterly report on Form 10-Q for the three months ended March 31, 2021 (but in no event later than June 30, 2021).

The mandatory redemption right described above shall terminate if, prior to the Measurement Date, both (i) the Mytesi Revenues for any six-month period ending at the end of a calendar quarter are equal to or exceed \$22 million and (ii) the average volume-weighted average price of the Common Stock for the thirty days immediately preceding the end of such calendar quarter is equal to or greater than \$1.00.

Fundamental Change

The Certificate of Designation provides the holders of Preferred Stock with a right to require the Issuer to repurchase shares of Preferred Stock at a price to be calculated pursuant to the terms of the Certificate of Designation upon the occurrence of any of the following events (each a “Fundamental Change”):

7

(X) (a) any person or “group” (within the meaning of Rules 13d-3 and 13d-5 under the Exchange Act), other than certain “Permitted Holders” (and/or any direct transferee of shares of Preferred Stock from any Permitted Holder) (as defined in the Certificate of Designation), (i) shall have acquired beneficial ownership of more than fifty percent (50%) or more on a fully diluted basis of the voting and/or economic interest in the capital stock of the Issuer (or surviving entity in a merger or consolidation, if applicable) or (ii) shall have obtained the power (whether or not exercised) to elect a majority of the members of the Board (or similar governing body); or (b) the occurrence of any “change of control” or similar event under any agreements relating to any indebtedness of the Issuer or its subsidiaries; or

(Y) except in the case of a Deemed Liquidation Event (as defined in the Certificate of Designation and described below) in which holders of Preferred Stock receive, concurrently with the consummation of such Deemed Liquidation Event, a cash payment pursuant to Sections 2.1 and 2.4 of the Certificate of Designation in full, in an amount equal to the “Fundamental Change Price” as defined in the Certificate of Designation that would otherwise be payable, the Issuer or any of its subsidiaries enters into any transaction of merger or consolidation (except that a person may be merged with or into the Issuer or another wholly-owned subsidiary thereof so long as the Issuer or another wholly-owned subsidiary is the continuing or surviving person), or conveys, sells, leases, subleases (as lessor or sublessor), exchanges, transfers or otherwise disposes of, in one transaction or a series of transactions, all or substantially all of the consolidated business, assets or property of the Issuer and its subsidiaries.

The “Fundamental Change Price” for each share of Preferred Stock, as of any date, shall be calculated as the sum of (i) the amount payable in respect of such share under Section 2.1 of the Certificate of Designation in the event of a “Liquidation Event” as of such date, plus (ii) any and all accrued and unpaid dividends upon the Preferred Stock, whether or not declared, as of the date of the Fundamental Change, plus (iii) the “Participation Amount” as defined in the Certificate of Designation.

Merger or Liquidation

Subject to the Fundamental Change provision described above, under the terms of the Certificate of Designation, upon merger or consolidation resulting in a change of control, sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Issuer or any subsidiary of the Issuer, of substantially all of the assets of the Issuer and its subsidiaries taken as a whole, or the sale or disposition (whether by merger, consolidation or otherwise) of the Issuer’s Subsidiary, Napo Pharmaceuticals, Inc. (or any successor in interest), or one or more other subsidiaries of the Issuer if substantially all of the assets of the Issuer and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries (collectively, a “Deemed Liquidation”), liquidation, dissolution or winding up of the Issuer as determined under the Certificate (collectively, a “Liquidation Event”), each share of Preferred Stock will be entitled to a preference of \$1.665 per share (or the equivalent of \$0.185 per share on an as-converted to Voting Common Stock basis) plus a participation right described below. Thereafter, the holders of Common Stock then outstanding shall be entitled to receive an amount per share of Common Stock (in stock or cash as determined under the Certificate of Designation) equal to \$0.185 (as adjusted for stock splits, reverse splits, stock dividends, reclassifications, recapitalizations and/or other similar events). Thereafter, all of the remaining assets of the Issuer and/or proceeds from a Deemed Liquidation or Liquidation Event, as applicable, will in general be divided pro rata among the holders of the shares of Preferred Stock and the shares of Common Stock, on an as converted basis (all as more fully specified and calculated under the Certificate of Designation).

8

Pursuant to the terms of the Preferred Stock as provided in the Certificate of Designation, so long as any shares of Preferred Stock are outstanding, the Issuer may not, among other things, without the prior written consent or vote of the holders of at least a majority of the then outstanding shares of Preferred Stock: (a) amend, alter, repeal or waive any provision of the Certificate of Designation, (b) amend, alter or repeal any provision of the Issuer's charter documents in a manner that would adversely affect the powers, privileges, preferences or rights of the Preferred Stock, (c) create additional classes or series of capital stock having rights, preferences or privileges senior to or pari passu with the Preferred Stock or (d) increase or decrease the authorized number of shares of Preferred Stock.

In addition, so long as Sagard or its affiliates own at least 35% of the shares of Preferred Stock that were originally issued, the Certificate of Designation provides that the Issuer may not, among other things, without the prior written consent or vote of the holders of at least a majority of the then outstanding shares of Preferred Stock: (a) authorize or issue any capital stock of any subsidiary which is not wholly-owned by the Issuer, (b) declare or pay dividends on the Issuer's equity securities or redeem any of the Issuer's equity securities, (c) incur, guarantee or assume any indebtedness, subject to certain limited exceptions, (d) grant or incur any lien, subject to certain limited exceptions, (e) enter into any transaction for the acquisition of all or substantially of the equity interests or assets of another person, subject to certain limited exceptions (f) make any investments, subject to certain limited exceptions or (g) enter into any transactions with the Issuer's affiliates, subject to certain limited exceptions.

Registration Rights Agreement

In connection with the Private Placement, the Issuer entered into a Registration Rights Agreement with Sagard (the "Registration Rights Agreement"). Pursuant to the Registration Rights Agreement, Sagard and any transferee or assignee to whom Sagard or such transferee or assignee assigns its rights under the Registration Rights Agreement (collectively, the "Investors") is entitled to certain shelf and "piggyback" registration rights with respect to the Conversion Shares, subject to the limitations set forth in the Registration Rights Agreement. Pursuant to the Registration Rights Agreement, the Issuer will file a registration statement on Form S-3 with the SEC no later than the earlier of (i) ninety (90) days prior to the first anniversary of the closing of the Private Placement and (ii) thirty (30) days after the occurrence of an event described in Section 4.2(c) of the Preferred Stock Purchase Agreement (such event, an "Early Filing Trigger"), to register for resale the Conversion Shares, and any additional shares of Common Stock as may become issuable with respect to such securities as a result of stock splits, stock dividends or similar transactions (the "Registrable Securities"). The Issuer agreed to use its reasonable best efforts to have such registration statement declared effective by the SEC no later than the earlier of (1) the first anniversary of the of the closing of the Private Placement and (2) sixty (60) days after an Early Filing Trigger. The Registration Rights Agreement contains other provisions, including administrative procedures, indemnification provisions, penalties for the Issuer's failure to perform, and other customary provisions.

Services Agreement

On March 23, 2018, the Issuer entered into a management services agreement with Manager, pursuant to which Manager will provide certain consulting and management advisory services to the Issuer over a three-year period (the "Initial Term") for an annual fee of \$450,000, which fees will be paid in equal installments over the Initial Term beginning in the second year of the Initial Term (the "Services Agreement"). The Services Agreement may be terminated earlier than the initial three-year term (i) upon mutual consent of the parties, (ii) by either party following a breach of the Services Agreement by the other party that remains uncured following 30 days' written notice thereof, (iii) in Manager's sole discretion with 10 day's prior written notice, or (iv) upon the consummation of a Deemed Liquidation (so long as all accrued and unpaid fees payable thereunder as of such termination have been paid in full) or a Fundamental Change in which all of the Issuer's shares of Preferred Stock are repurchased by the Issuer.

The foregoing is a summary of the terms of the Preferred Stock Purchase Agreement, the Certificate of Designation, the Registration Rights Agreement and the Services Agreement, and does not purport to be complete. This summary is qualified in its entirety by reference to the full text of each of the Preferred Stock Purchase Agreement, the Certificate of Designation, the Registration Rights Agreement and the Services Agreement, all of which are incorporated by reference herein as Exhibits hereto.
