PROSPECTUS SUMMARY

The following is a summary of what we believe to be the most important aspects of our business and the offering of our securities under this prospectus. We urge you to read this entire prospectus, including the more detailed financial statements, notes to the financial statements and other information incorporated by reference from our other filings with the SEC. Each of the risk factors could adversely affect our business, operating results and financial condition, as well as adversely affect the value of an investment in our securities.

Overview

We are a commercial stage pharmaceutical company focused on developing novel, sustainably derived gastrointestinal products on a global basis. Our wholly-owned subsidiary, Napo Pharmaceuticals, Inc. (“Napo”), focuses on developing and commercializing proprietary human gastrointestinal pharmaceuticals for the global marketplace from plants used traditionally in rainforest areas. Our Mytesi (crofelemer) product is a first-in-class anti-secretory agent, approved by the U.S. Food and Drug Administration (“FDA”) for the symptomatic relief of noninfectious diarrhea in adults with HIV/AIDS on antiretroviral therapy.

Jaguar was founded in San Francisco, California as a Delaware corporation on June 6, 2013. Napo formed Jaguar to develop and commercialize animal health products. Effective as of December 31, 2013, Jaguar was a wholly-owned subsidiary of Napo, and, until May 13, 2015, Jaguar was a majority-owned subsidiary of Napo. On July 31, 2017, the merger of Jaguar Animal Health, Inc. and Napo became effective, at which point Jaguar Animal Health’s name changed to Jaguar Health, Inc. and Napo began operating as a wholly-owned subsidiary of Jaguar focused on human health and the ongoing commercialization of, and development of follow-on indications for Mytesi. Most of the activities of the Company are now focused on the commercialization of Mytesi and development of follow-on indications for crofelemer and a second-generation anti-secretory product, lechlemer. In the field of animal health, we have limited activities which are focused on developing and commercializing first-in-class gastrointestinal products for dogs, dairy calves, foals, and high value horses.

We believe Jaguar is poised to realize a number of synergistic, value adding benefits—and an expanded pipeline of potential blockbuster human follow-on indications of crofelemer, and a second-generation anti-secretory agent—upon which to build global partnerships. As previously announced, Jaguar, through Napo, now holds extensive global rights for Mytesi, and crofelemer manufacturing is being conducted at two FDA-inspected and approved locations, including a recently developed, multimillion-dollar commercial manufacturing facility. Additionally, several of the drug product candidates in Jaguar’s Mytesi pipeline are backed by strong Phase 2 evidence from completed Phase 2 trials.

Mytesi is a novel, first-in-class anti-secretory agent which has a basic normalizing effect locally on the gut, and this mechanism of action has the potential to benefit multiple gastrointestinal disorders. Mytesi is in development for multiple possible follow-on indications, including cancer therapy-related diarrhea (CTD); orphan-drug indications for infants and children with congenital diarrheal disorders (CDDs) and short bowel syndrome (SBS); supportive care for inflammatory bowel disease (IBD); irritable bowel syndrome (IBS); and for idiopathic/functional diarrhea. In addition, a second-generation proprietary anti-secretory agent, lechlemer, is in development for cholera. Mytesi has received orphan-drug designation for SBS.

Description of the Issuance of Shares and Warrants to Purchase Common Stock

Private Placement of Warrants in Connection with Standby Letter of Credit

On August 28, 2018, the Company entered into an office lease extension agreement (the “Lease”) with CA-Mission Street Limited Partnership (“Landlord”) for approximately 6,311 square feet of office space in San Francisco, CA. The term of the Lease began on September 1, 2018 and will expire on September 30, 2020, unless earlier terminated in accordance therewith. The monthly base rent under the Lease is as follows: \$38,392 for the first twelve months, \$39,544 for the subsequent twelve months, and \$40,730 for the final month. The Company will also pay an additional monthly amount for the Company’s proportionate share of the building’s operating charges. Pacific Capital Management LLC (the “LOC Facilitator”) caused its financial institution to provide a standby letter of credit (“Letter of Credit”) in the amount of \$475,000, on behalf of the Company, to the Landlord as collateral for the full performance by the Company of all of its obligations under the Lease. Such Letter of Credit was issued pursuant to the terms of the Landlord Letter of Credit & Warrant Issuance Agreement, dated August 28, 2018, by and between the Company and the LOC Facilitator (“LOC Agreement”).

Pursuant to the terms of the LOC Agreement, the Company was required to cause LOC Facilitator’s exposure under the Letter of Credit to be reduced by \$122,000 (the “Reduced Exposure Obligation”). The Company issued a letter of credit in the amount of \$122,000 in favor of Jonathan Glaser, managing member of LOC Facilitator (the “LOC Beneficiary”), pursuant to the terms of the Irrevocable Standby Letter of Credit No. LC22120-602, dated December 13, 2018, signed by Western Alliance Bank (the “LOC Beneficiary Letter of Credit”), in order to satisfy the Reduced Exposure Obligation.

On March 29, 2019, the Company and LOC Beneficiary entered into a letter of credit cancellation and warrant issuance agreement (“LOC Cancellation and Warrant Issuance Agreement”) pursuant to which the LOC Beneficiary agreed to cancel the LOC Beneficiary Letter of Credit and terminate the Company’s Reduced Exposure Obligation in consideration for the Company’s issuance of a 5-year warrant (the “LOC Warrant”) to purchase shares of Common Stock in an amount equal to 75% of the principal amount of the Reduced Exposure Obligation divided by \$2.00, at an exercise price of \$2.00 per share. Under the LOC Cancellation and Warrant Issuance Agreement, we agreed to register on one or more registration statements the resale of the shares issuable upon conversion of the LOC Warrant.

Private Placement of Warrants in Connection with 2019 Bridge Financing

On March 18, 2019, the Company began entering into securities purchase agreements (each, a “Securities Purchase Agreement”) with selected accredited investors (the “Investors” and each, an “Investor”) pursuant to which the Company sold promissory notes (“Bridge Notes”) to such Investors. The initial offering closed on March 18, 2019, and \$5,050,000.00 aggregate principal amount of Bridge Notes were issued in offerings and the proceeds from such offerings were paid to the Company. In July 2019, all of the 2019 Bridge Notes with a principal balance of \$5,050,000 had been fully paid-off.

At the time of entering into a Securities Purchase Agreement, an Investor elected to purchase either a Bridge Note that is subject to a mandatory exchange provision (each a “125% Coverage Note”) or a Bridge Note that is not subject to a mandatory exchange provision but is otherwise substantially the same as the 125% Coverage Note (each, a “75% Coverage Note”). The mandatory exchange provision in the 125% Coverage Notes provides that, at the Company’s option upon the consummation of an underwritten public offering by the Company on or before the Maturity Date (the “Public Offering”) of Common Stock, the principal amount of the 125% Coverage Notes plus any unaccrued interest thereon will be mandatorily exchanged into shares of Common Stock (the “Exchange Shares”) at a price equal to \$2.00 per share, which represents the per share price at which the Company issued Common Stock in the Public Offering, subject to adjustment for reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction. The 125% Coverage Notes were exchanged and terminated in connection with the Public Offering.

As an inducement to enter into a Securities Purchase Agreement, (i) each holder of 75% Coverage Notes received a 5-year warrant (the “75% Coverage Warrant”) to purchase shares of Common Stock (the “Bridge Warrant Shares”) in an amount equal to 75% of the principal amount of such holder’s 75% Coverage Note divided by \$2.00 and (ii) each holder of 125% Coverage Notes received a 5-year warrant (the “125% Coverage Warrant” and, together with the 75% Coverage Warrant, the “Bridge Warrants”) to purchase Bridge Warrant Shares in an amount equal to 125% of the principal amount of such holder’s 125% Coverage Note divided by \$2.00 (the “Bridge Warrants” and, together with the “LOC Warrant”, the “Warrants”).

In connection with the Securities Purchase Agreement, we also entered into registration rights agreements with the Investors pursuant to which we agreed to register on one or more registration statements the resale of the shares issuable upon conversion of the Bridge Warrants.

Private Placement of Shares

In December 2017, pursuant to share purchase agreements dated December 27, 2017, we issued 3,819 shares of our Common Stock to certain investors, including 952 shares of our Common Stock to Donald C. Reinke, in reliance on Section 4(a)(2) and Regulation D of the Securities Act for gross proceeds of \$401,000. We used net proceeds from the offering for commercialization activities relating to the launch of Mytesi, our FDA-approved human health product, and general corporate purposes.

Recent Developments

Reverse Stock Split and Decrease in Authorized Shares

On June 3, 2019, we filed an amendment to our Third Amended and Restated Certificate of Incorporation to effect on June 7, 2019, a 1-for-70 reverse split of our voting common stock. Accordingly, all of the stock figures and related market, conversion and exercise prices in this prospectus have been adjusted to reflect the reverse split.

PLAN OF DISTRIBUTION

The Selling Stockholders of the securities and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their securities covered hereby on the Nasdaq Stock Market or any other stock exchange, market or trading facility on which the securities are traded or in private transactions. These sales may be at fixed or negotiated prices. A Selling Stockholder may use any one or more of the following methods when selling securities:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales;
- in transactions through broker-dealers that agree with such Selling Stockholder to sell a specified number of such securities at a stipulated price per security;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The Selling Stockholders may also sell securities under Rule 144 under the Securities Act of 1933, as amended (the “Securities Act”), if available, or pursuant to other available exemptions rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of securities, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440.

In connection with the sale of the securities or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. The Selling Stockholders may also sell securities short and deliver these securities to close out their short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The Selling Stockholders and any broker-dealers or agents that are involved in selling the securities may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the securities purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each Selling Stockholder has informed the Company that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the securities.

The Company is required to pay certain fees and expenses incurred by the Company incident to the registration of the securities. The Company has agreed to indemnify the Selling Stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

We agreed to keep this prospectus effective until the earlier of (i) the date on which all registrable securities covered by this prospectus have been sold hereunder in accordance with the plan and method of distribution disclosed herein, or (ii) the date that is thirty days after the termination of the agreement pursuant to which the registrable securities are being registered. The resale securities will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale securities covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the Selling Stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the common stock by the Selling Stockholders or any other person. We will make copies of this prospectus available to the Selling Stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

DIVIDEND POLICY

We have never paid any cash dividends on our common stock to date. We currently intend to retain all of our future earnings, if any, to fund the development and growth of our business and do not anticipate paying any cash dividends for at least the next five years, if ever. Additionally, for so long as Sagard Capital Partners, L.P. or its affiliates hold at least 35% of the shares of our Preferred Stock, we would be required to obtain the written consent or vote of holders of a majority of our outstanding shares of Preferred Stock prior to declaring or paying any dividends. Any future determination as to the payment of cash dividends on our common stock will be at our board of directors' discretion and will depend on our financial condition, operating results, capital requirements and other factors that our board of directors considers to be relevant.

LEGAL MATTERS

The validity of the shares of Common Stock offered by this prospectus will be passed upon for us by Reed Smith LLP, Palo Alto, California.

Item 14. Indemnification of Directors and Officers

Section 102(b)(7) of the DGCL authorizes a corporation in its certificate of incorporation to eliminate or limit personal liability of directors of the corporation for violations of the directors' fiduciary duty of care. However, directors remain liable for breaches of duties of loyalty, failing to act in good faith, engaging in intentional misconduct, knowingly violating a law, paying a dividend or approving a stock repurchase which was illegal under DGCL Section 174 or obtaining an improper personal benefit. In addition, equitable remedies for breach of fiduciary duty of care, such as injunction or recession, are available.

Our current certificate of incorporation eliminates the personal liability of the members of our board of directors to the fullest extent permitted by the DGCL. Any repeal or modification of that provision by the stockholders of the corporation will not adversely affect any right or protection of a director of the corporation existing at the time of such repeal or modification.

Section 145 of the DGCL provides that a corporation has the power to indemnify a director, officer, employee or agent of the corporation, or a person serving at the request of the corporation for another corporation, partnership, joint venture, trust or other enterprise in related capacities against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with an action, suit or proceeding to which he was or is a party or is threatened to be made a party to any threatened, ending or completed action, suit or proceeding by reason of such position, if such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, except that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Our current bylaws provide for indemnification of its officers and directors to the fullest extent permitted by the DGCL.

We have entered into indemnification agreements with each of its directors and officers, pursuant to which we agreed, to the maximum extent permitted by applicable law and subject to the specified terms and conditions set forth in each agreement, to indemnify a director or officer who acts on our behalf and is made or threatened to be made a party to any action or proceeding against expenses, judgments, fines and amounts paid in settlement that are incurred by such officer or director in connection with the action or proceeding. The indemnification provisions apply whether the action was instituted by a third party or by us.

We have purchased and maintain insurance on behalf of our officers and directors that provides coverage for expenses and liabilities incurred by them in their capacities as officers and directors.

Item 15. Recent Sales of Unregistered Securities

In January through July 11, 2019, Jaguar entered into exchange agreements with Chicago Venture Partners, L.P. (“CVP”) pursuant to which the Company issued 1,515,410 shares of Common Stock to CVP in exchange for a reduction of \$12.6 million in principal and related accrued interest of the CVP Notes (collectively, the June 2017 CVP Note, The December 2017 CVP Note, the February 2018 Note and the March 2018 Note). As of July 11, 2019, all of the CVP Notes have been eliminated and approximately \$6.7 million aggregate principal amount of the Exchange Notes remains outstanding. The shares of Common Stock that were exchanged for portions of the secured promissory notes were issued in reliance on the exemption from registration provided under Section 3(a)(9) of the Securities Act.

Between March and June 30, 2019, Jaguar entered into securities purchase agreements (“the Bridge Notes”) with selected accredited investors, pursuant to which the Company issued \$5.1 million in principal amount of short-term promissory notes to such Investors. As an inducement for entering into the Securities Purchase Agreement, each investor also received warrants exercisable into shares of the Company’s common stock. As of June 30, 2019, the net carrying value of the 2019 Bridge Notes was \$3,563,068, or principal of \$5,050,000 offset by a discount of \$1,486,932. In July 2019, upon maturity, all the 2019 Bridge Notes with a principle balance of \$5,050,000 had been fully paid-off.

On June 25, 2019, the Company entered into a securities purchase agreement with a California-based investment group, PoC Capital, LLC, pursuant to which we sold a promissory note as part of the Bridge Notes. The proceeds of \$775,000 was received by the Company subsequent to the signing of the agreement. On June 26, 2019, Jaguar and PoC Capital signed an agreement with Integrium, LLC, a clinical research organization, in support of a study to evaluate the effect of Mytesi on the gastrointestinal microbiome in people living with HIV. The study is being funded by the proceeds the Company received from PoC Capital underlying the Bridge Note. In July 2019, the Company paid Integrium \$750,000 as a prepayment for their services and expenses starting on July 1, 2019 through April 16, 2020. The contract is comprised of services fees in the amount of \$332,033, investigator grants or site expenses for \$162,619, pass-through expenses \$239,573 and \$15,775 of other expenses. The Company will receive monthly progress reports to validate the expenses against the prepayment. We did not record any expenses related to this transaction during the three and six months ended June 30, 2019.

The exhibits to this registration statement are listed in the Exhibit Index to this registration statement, which Exhibit Index is hereby incorporated by reference.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use; and

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
