PROXY STATEMENT

**FOR THE 2022 ANNUAL MEETING OF STOCKHOLDERS
To Be Held June 10, 2022**

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

We are furnishing this Proxy Statement to our stockholders in connection with the solicitation of proxies by our board of directors to be voted at the 2022 Annual Meeting of Stockholders (the “Annual Meeting”) and at any adjournment or postponement thereof. The Annual Meeting will be held at 200 Pine Street, Suite 400, San Francisco, CA 94104, on Friday, June 10, 2022, at 8:30 a.m., local time.

When used in this Proxy Statement, the terms the “Company,” “we,” “us,” “our” and “Jaguar” refer to Jaguar Health, Inc.

The Securities and Exchange Commission (“SEC”) rules require us to provide an annual report to stockholders who receive this Proxy Statement. Accordingly, we have enclosed our Annual Report on Form 10-K for the fiscal year ended December 31, 2021 (the “Annual Report”), which was filed on March 11, 2022, with this Proxy Statement, and we will also provide copies of such documents to brokers, dealers, banks, voting trustees and their nominees for the benefit of their beneficial owners of record. Pursuant to rules adopted by the SEC, the Company is also providing access to its proxy materials over the Internet. All stockholders will have the ability to access the proxy materials at <https://jaguarhealth.gcs-web.com/financial-information/annual-reports>.

The date on which the Notice of 2022 Annual Meeting of Stockholders, this Proxy Statement, the Annual Report and form of proxy card or voting instruction form are first being sent or given to stockholders is on or about May 19, 2022.

GENERAL INFORMATION ABOUT VOTING

Record Date

As of May 13, 2022, the record date for the Annual Meeting (the “Record Date”), we anticipate that there will be 77,863,506 shares of our common stock, par value \$0.0001 per share (the “Common Stock”), which are issued and outstanding. Only holders of record of our Common Stock as of the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting or at any adjournment or postponement thereof. A list of such holders will be open to the examination of any stockholder for any purpose germane to the meeting at Jaguar Health, Inc., 200 Pine Street, Suite 400, San Francisco, CA 94104 for a period of ten (10) days prior to the Annual Meeting. The list of stockholders will also be available for such examination at the Annual Meeting. In addition, as of May 13, 2022, there will be 673 shares of our non-voting common stock outstanding, but these shares will have no voting rights with respect to any of the proposals being considered at the Annual Meeting. Each share of non-voting common stock is convertible into one-three thousand fiftieth (1/3,150th) of a share of Common Stock at the election of the holder thereof.

The use of the capitalized term “Common Stock” in this Proxy Statement and related materials refers only to the Company’s common stock and does not include the Company’s convertible non-voting common stock.

Voting, Quorum and Revocability of Proxies

Each share of Common Stock entitles the holder of record thereof to one vote. No other securities are entitled to be voted at the Annual Meeting. Each stockholder holding Common Stock may vote in person or by proxy on all matters that properly come before the Annual Meeting and any adjournment or postponement thereof (except as otherwise described below).

Stockholders have no right to cumulative voting as to any matter, including the election of directors. The presence, in person or represented by proxy, of holders of one third (1/3) of the shares of capital stock of the Company outstanding on the Record Date and entitled to vote at the Annual Meeting will constitute a quorum for purposes of voting at the Annual Meeting. Properly executed proxies marked “ABSTAIN” or “WITHHOLD,” as well as broker non-votes, will be counted as “present” for purposes of determining the existence of a quorum. If a quorum should not be present, either the chairperson of the meeting or a majority in voting power of the stockholders entitled to vote on the adjournment may adjourn such meeting from time to time until a quorum is obtained.

Our board of directors is soliciting proxies for use in connection with the Annual Meeting and any postponement or adjournment thereof. If you vote your shares via the Internet or by telephone or execute and return the proxy card or voting instruction form accompanying this Proxy Statement, your shares will be voted as you direct on all matters properly coming before the Annual Meeting for a vote. For Proposal 1, you may vote “FOR” or “WITHHOLD” authority for one or more of the nominees. For Proposals 2, 3 and 4, you may vote “FOR,” “AGAINST” or “ABSTAIN.”

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC (the “Transfer Agent”), you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your proxy directly to the Company or to vote your shares in person at the Annual Meeting. If you hold your shares in a stock brokerage account or through a bank or other financial intermediary, you are considered the beneficial owner of shares held in street name. Your bank, broker or other financial intermediary is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your bank, broker or other financial intermediary on how to vote your shares, but because you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. As a beneficial owner, you are, however, welcome to attend the Annual Meeting in person provided that you present a valid legal proxy from the record holder (i.e., bank, broker, trustee or other nominee) to you.

Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy as described in the proxy card or voting instruction form, so that your vote will be counted if you later decide not to attend the Annual Meeting. Submitting your proxy now will not prevent you from voting your shares in person by written ballot at the Annual Meeting if you desire to do so, as your proxy is revocable at your option.

You may revoke your proxy by (a) delivering to the Secretary of the Company at or before the Annual Meeting a written notice of revocation bearing a later date than the proxy, (b) duly executing a subsequent proxy and delivering it to the Secretary of the Company at or before the Annual Meeting or (c) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy). Any written notice revoking a proxy should be delivered at or prior to the Annual Meeting to: Jaguar Health, Inc., 200 Pine Street, Suite 400, San Francisco, CA 94104, Attention: Jonathan S. Wolin. Beneficial owners of our Common Stock who are not holders of record and wish to revoke their proxy should contact their bank, brokerage firm or other custodian, nominee or fiduciary to inquire about how to revoke their proxy.

The shares represented by all valid proxies received will be voted in the manner specified. Where specific choices are not indicated on a validly executed and delivered proxy, the shares represented by such proxy will be voted: (i) “FOR” the nominees for director named in this Proxy Statement, (ii) “FOR” the

ratification of the appointment of RBSM LLP (“RBSM”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022, (iii) “FOR” the approval of, for purposes of Nasdaq Rule 5635(d), the issuance of shares of the Company’s voting common stock, par value \$0.0001 per share (the “Common Stock”) upon the exchange of certain royalty interests and a promissory note previously issued by the Company to certain accredited investors; and (iv) “FOR” the approval of discretionary authority for the Company to adjourn the Annual Meeting, if necessary, to solicit additional proxies in the event that there are not sufficient votes at the time of the Annual Meeting to approve Proposal 3.

We will bear all expenses of this solicitation, including the cost of preparing and mailing this Proxy Statement. We have retained Georgeson LLC to solicit proxies for a base fee of \$6,500 plus reimbursement of reasonable out-of-pocket expenses. In addition to solicitation by use of the mail, proxies may be solicited by telephone, facsimile or personally by our directors, officers and employees, who will receive no extra compensation for their services. We will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy soliciting materials to beneficial owners of shares of Common Stock.

Broker Voting

Brokers holding shares of record in “street name” for a client have the discretionary authority to vote on some matters (routine matters) if they do not receive instructions from the client regarding how the client wants the shares voted at least 10 days before the date of the meeting; provided the proxy materials are transmitted to the client at least 15 days before the meeting. There are also some matters with respect to which brokers do not have discretionary authority to vote (non-routine matters) if they do not receive timely instructions from the client. When a broker does not have discretion to vote on a particular matter and the client has not given timely instructions on how the broker should vote, a broker non-vote results. Any broker non-vote will be counted as present at the Annual Meeting for purposes of determining a quorum, but will be treated as not entitled to vote with respect to non-routine matters.

The proposal to ratify the appointment of RBSM as our independent registered public accounting firm for the fiscal year ending December 31, 2022 (Proposal 2) is considered a routine matter and brokers will be permitted to vote in their discretion on this matter on behalf of clients who have not furnished voting instructions at least 10 days before the date of the Annual Meeting. In contrast, the proposal to elect directors (Proposal 1), the proposal to approve, for purposes of Nasdaq Rule 5635(d), the issuance of shares of the Company’s voting common stock, par value \$0.0001 per share (the “Common Stock”) upon the exchange of certain royalty interests and a promissory note previously issued by the Company to certain accredited investors (Proposal 3), and the proposal to approve discretionary authority for the Company to adjourn the Annual Meeting, if necessary, to solicit additional proxies in the event that there are not sufficient votes at the time of the Annual Meeting to approve Proposal 3 (Proposal 4) are not considered “routine” matters and brokers do not have discretionary authority to vote on behalf of clients on such matters.

Required Vote

Proposal 1 — Election of Class I Directors

With respect to the proposal to elect directors (Proposal 1), you may vote in favor of all nominees, withhold your vote as to all nominees or vote in favor of or withhold your vote as to specific nominees. The vote required to approve Proposal 1 is governed by Delaware law, the Company’s Third Amended and Restated Certificate of Incorporation, as amended (the “COI”), and our Amended and Restated Bylaws, as amended (the “Bylaws”) and is a plurality of the votes cast by the holders of shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, in accordance with Delaware law, votes that are withheld will be counted in determining whether a quorum is present but will have no other effect on the election of directors. Stockholders have no right to cumulative voting as to any matter, including the election of directors.

Proposal 2 — Ratification of Independent Registered Public Accounting Firm

With respect to the proposal to ratify the Audit Committee’s appointment of RBSM as our independent registered public accounting firm for the fiscal year ending December 31, 2022 (Proposal 2), you may vote

in favor of the proposal, vote against the proposal or abstain from voting. The vote required to approve Proposal 2 is governed by Delaware law, the COI and the Bylaws and is the affirmative vote of the holders of a majority of votes cast on such proposal by the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 2.

Proposal 3— Issuance of Shares of Common Stock Upon Exchange of Royalty Interests and a Promissory Note for Purposes of Nasdaq Listing Rule 5635(d)

With respect to the proposal to approve, for purposes of Nasdaq Rule 5635(d), the issuance of shares of Common Stock upon the exchange, from time to time at Company's discretion, of all or any portion of certain royalty interests and a promissory note previously issued by the Company to certain accredited investors, you may vote in favor of the proposal, vote against the proposal or abstain from voting. The vote required to approve Proposal 3 is governed by Delaware law, the Nasdaq Listing Rules, the COI and the Bylaws and is the affirmative vote of the holders of a majority of the votes cast on such proposal by the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 3.

Proposal 4— Adjournment

With respect to the proposal to grant discretionary authority to adjourn the Annual Meeting, if necessary, to solicit additional proxies in the event that there are not sufficient votes at the time of the Annual Meeting to approve Proposal 3, you may vote in favor of the proposal, vote against the proposal or abstain from voting. The vote required to approve Proposal 4 is governed by Delaware law, the COI and the Bylaws and is the affirmative vote of the holders of a majority of votes cast affirmatively or negatively (excluding abstentions and broker non-votes), provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 4.

NO DISSENTERS' RIGHTS

The corporate action described in this Proxy Statement will not afford to stockholders the opportunity to dissent from the actions described herein and receive an agreed or judicially appraised value for their shares of Common Stock.

PROPOSAL 1— ELECTION OF DIRECTORS

Nominee

Our Board of Directors currently consists of five (5) members, James J. Bochnowski, Lisa A. Conte, Greg J. Divis, John Micek III and Jonathan B. Siegel, who are divided into three classes with staggered three- year terms. The Board has nominated James J. Bochnowski, Lisa A. Conte and Jonathan B. Siegel for re-election as Class I directors. If elected as a Class I director at the Annual Meeting, each of the nominees will serve and hold office for a three-year term expiring at the 2025 Annual Meeting of Stockholders and until his/her successor has been duly elected and qualified.

Each of the nominees has consented to continue his/her service as a director if elected. If any of the nominees should be unavailable to serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee or nominees (in which event the persons named on the enclosed proxy card will vote the shares represented by all valid proxy cards for the election of such substitute nominee or nominees), allow the vacancy or vacancies to remain open until a suitable candidate or candidates are located, or by resolution provide for a lesser number of directors or fill the position(s). All of the nominees for director are, at present, directors of Jaguar and have been nominated by our Nominating and Corporate Governance Committee and ratified by our full Board.

Vote Required

The vote required to approve Proposal 1 is the plurality of the votes cast by the holders of shares of Common Stock represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, in accordance with Delaware law, votes that are withheld will be counted in determining whether a quorum is present but will have no other effect on the election of directors. Stockholders have no right to cumulative voting as to any matter, including the election of directors.

The Board of Directors unanimously recommends that the stockholders vote “FOR” Proposal No. 1 to elect James J. Bochnowski, Lisa A. Conte and Jonathan B. Siegel as Class I directors.

PROPOSAL 2 — RATIFICATION OF APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed RBSM LLP (“RBSM”) as our independent registered public accounting firm for the fiscal year ending December 31, 2022, and the Board of Directors is asking stockholders to ratify that selection. Representatives of RBSM are expected to attend the Annual Meeting in order to respond to questions from stockholders and will have the opportunity to make a statement. RBSM has served as our independent registered public accounting firm since November 22, 2021.

Independent Registered Public Accounting Firm Services and Fees

Current Principal Accountant Fees and Services

RBSM served as our independent registered public accounting firm for the fiscal year ended December 31, 2021. There were no fees paid by us to RBSM in 2021 for audit and other services rendered.

Former Principal Accountant Fees and Services

On November 17, 2021, Mayer Hoffman McCann P.C. (“MHM”) notified us of its decision to resign as the Company’s independent registered public accounting firm, which became effective on November 22, 2021 upon our appointment of RBSM as the Company’s new independent registered public accounting firm. The reports of MHM on our consolidated financial statements for the fiscal years ended December 31, 2020 and 2019 contained explanatory paragraphs regarding our ability to continue as a going concern and contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2020 and 2019, and in the subsequent interim period through November 17, 2021, there were no disagreements with MHM on any matters of accounting principles or practices, financial statement disclosure or auditing scope and procedure. Substantially all of MHM’s personnel who work under the control of MHM shareholders are employees of wholly-owned subsidiaries of CBIZ, Inc., which provide personnel and various services to MHM in an alternative practice structure.

MHM served as our independent registered public accounting firm for the fiscal year ended December 31, 2020 and for the nine months ended September 30, 2021. The following table represents the aggregate fees billed to us by MHM in 2021 and 2020 for audit and other services rendered:

	Years ended December 31,	
	2021	2020
Audit Fees	\$943,122	\$641,178
Audit Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	100,000
Total	<u>\$943,122</u>	<u>\$741,178</u>

Fees referenced in the table above include fees for our follow-on public offering, auditor transition fees, as well as services provided in connection with the issuance of consents for other SEC filings.

Policy on Audit Committee Preapproval of Audit and Permissible Non-Audit Services of the Independent Registered Public Accounting Firm

As specified in the Audit Committee charter, the Audit Committee pre-approves all audit and non-audit services provided by the independent registered public accounting firm prior to the receipt of such services. Thus, the Audit Committee approved 100% of the services set forth in the above table prior to the receipt of such services and no services were provided under the permitted de minimis threshold provisions.

The Audit Committee determined that the provision of such services was compatible with the maintenance of the independence of RBSM and MHM.

Vote Required

The vote required to approve Proposal 2 is the affirmative vote of the holders of a majority of votes cast by holders of shares of our Common Stock present in person or represented by proxy at the Annual Meeting, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 2.

The Board of Directors unanimously recommends that the stockholders vote “FOR” Proposal No. 2 to ratify the appointment of RBSM LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022.

PROPOSAL 3 — APPROVAL OF THE ISSUANCE OF SHARES OF COMMON STOCK UPON EXCHANGE OF CERTAIN ROYALTY INTERESTS AND SECURED PROMISSORY NOTE

At the Annual Meeting, stockholders will be asked to approve, for purposes of Nasdaq Rule 5635(d), the issuance of shares of Common Stock upon exchange, from time to time at Company’s discretion, of all or any portion of certain royalty interests and a promissory note previously issued by the Company to certain accredited investors. All per share dollar figures included in this Proposal 3 are subject to adjustment for stock splits, stock dividends, reclassifications and other similar recapitalization transactions.

Background

Royalty Financings

Between October 2020 and March 2021, the Company entered into royalty interest purchase agreements with certain accredited investors affiliated with one another (collectively, the “Royalty Investors”), pursuant to which the Company sold the royalty interests (collectively, the “Royalty Interests”) entitling the Royalty Investors to receive future royalties on sales of certain of the Company’s products and certain up-front license fees and milestone payments from licensees and/or distributors (the “Royalty Repayment Amounts” and the amount payable under any individual Royalty Interest, the “Royalty Repayment Amount”) in private placement transactions in reliance upon the exemption from securities registration under by Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”). The Company used the proceeds to support advancement of research activities associated with its pipeline, including the Company’s lead product candidate, crofelemer, for cancer therapy-related diarrhea, and general corporate purposes. Interest accrues on the Royalty Repayment Amounts at a rate ranging between 5% and 10% per annum. The Company is obligated to make minimum royalty payments on a monthly basis beginning on a specified date (the “Minimum Royalty Payment Start Date”). The key terms of the Royalty Interests are summarized below:

	<u>October 2020 Royalty Interest</u>	<u>December 2020 Royalty Interest</u>	<u>March 2021 Royalty Interest</u>
Issuance Date	October 8, 2020	December 22, 2020	March 8, 2021
Royalty Repayment Amount as of March 31, 2022	\$13.4 million ⁽¹⁾	\$14.3 million	\$10.8 million
Interest Rate	10% per annum, compounding quarterly	10% per annum, compounding daily	5% per annum from March 8, 2021 until March 8, 2022 and 10% per annum thereafter, compounding quarterly
Minimum Royalty Payment Start Date	May 10, 2021	Earlier of (i) December 29, 2022 and (ii) 30 days following the full satisfaction of the October 2020 Royalty Interest, but in no event less than 18 months from December 23, 2020	Earlier of (i) March 8, 2024 and (ii) 30 days following the full satisfaction of both the October 2020 Royalty Interest and the December 2020 Royalty Interest, but in no event less than 18 months from March 8, 2021

	<u>October 2020 Royalty Interest</u>	<u>December 2020 Royalty Interest</u>	<u>March 2021 Royalty Interest</u>
Monthly Minimum Royalty Payment Amount	The greater of (i) \$250,000 (which increases to \$400,000 beginning on October 9, 2021, \$600,000 beginning on April 9, 2022, and \$750,000 beginning on October 9, 2022) and (ii) 10% of the Company's net sales of Mytesi and 10% of worldwide revenues related to upfront licensing fees and milestone payments from licensees and/or distributors	The greater of (i) \$750,000 and (ii) 10% of the Company's net sales of Mytesi and 10% of worldwide revenues related to upfront licensing fees and milestone payments from licensees and/or distributors	The greater of (A) \$250,000 (which increases to \$400,000 beginning September 8, 2021, \$600,000 beginning March 8, 2022, and \$750,000 beginning September 8, 2022) and (B) the royalty payments to which the Royalty Investor is entitled, consisting of (1) 10% of the Company's net sales of crofelemer for the COVID-related indication (including any improvements, modifications and follow-on products, collectively, the "Included Products"), (2) 10% of worldwide revenues related to upfront licensing fees and milestone payments from licensees and/or distributors and (3) 50% of royalties collected from licenses of the Included Products to third parties.

- (1) Pursuant to the terms of the October 2020 Royalty Interest, the Royalty Repayment Amount for the October 2020 Royalty Interest was automatically increased from \$12 million to \$18 million on May 1, 2021 as a result of the volume weighted average price of the Company's common stock not equaling or exceeding \$0.9105 at least twice during each calendar month during the six-month period beginning on November 1, 2020.

Between February 11, 2022 and March 9, 2022, the Company entered into privately negotiated exchange agreements with the holder of the October 2020 Royalty Interest, pursuant to which the Company issued 8,650,000 shares of Common Stock in the aggregate at an effective price per share equal to the market price (defined as the Minimum Price under Nasdaq Listing Rule 5635(d)) as of the date of the applicable exchange agreement in exchange for a \$4,441,657.50 reduction in the outstanding balance of the October 2020 Royalty Interest. As a result of such exchange transactions, the Company is fully paid up on its monthly minimum royalty payments with respect to the Royalty Interests until mid-October 2022.

The foregoing descriptions of the Royalty Interests and royalty interests purchase agreement are not complete and are qualified in their entirety by reference to the Royalty Interests and royalty interest purchase agreements, respectively, which are filed as exhibits to our Current Reports on Form 8-K filed with the SEC on October 9, 2020, December 29, 2020 and March 11, 2021.

Note Financing

On January 19, 2021, the Company and Napo Pharmaceuticals, Inc., a wholly-owned subsidiary of Jaguar ("Napo" and, together with Jaguar, the "Borrower"), entered into a note purchase agreement (the "Note Purchase Agreement") with an accredited investor ("Note Investor"), pursuant to which the Borrower

issued to Note Investor a secured promissory note (the “Note”) in the aggregate principal amount of \$6,220,812.50 (the “Note Offering”) in a private placement transaction in reliance upon the exemption from securities registration under by Section 4(a)(2) of the Securities Act. The Company used the proceeds to fund development of the Company’s NP-300 (lechlemer) drug product candidate for the indication of the symptomatic relief of diarrhea from cholera (the “Cholera Indication”) and general corporate purposes, including the Company’s product pipeline activities. The Note bears interest at 3.25% per annum and matures on January 20, 2025. Interest is prepaid each 12 months at the beginning of the period. The Note is secured by a first priority security interest in all existing and future lechlemer technology, and Napo has agreed, with certain exceptions, not to grant any lien on any of the collateral securing the Note and not to grant any license under any of the intellectual property relating to such collateral.

Under the Note Purchase Agreement, if a tropical disease priority review voucher (“TDPRV”) is granted to the Company by the U.S. Food & Drug Administration in connection with the Company’s development of lechlemer for the Cholera Indication and the Company sells the TDPRV, then Note Investor will be entitled to a specified percentage of the gross proceeds from such sale, ranging from 18% to 1%, depending on the percentage of the original balance of the Note that remains outstanding as of the date of the sale of the TDPRV, which percentage will decrease to 1% once the Note is paid in full.

In addition, beginning on the earlier of (i) July 19, 2021 and (ii) the initiation of human clinical trials with lechlemer, (the “Optional Prepayment Period”), the Company will have the right, from time to time at in its sole discretion, to prepay all or any portion of the Note (such amount, the “Principal Prepayment Amount”) at a price equal to 112.5% multiplied by the Principal Prepayment Amount (the “Optional Prepayment Amount”). Beginning on the date that the last patient is enrolled in a pivotal trial with lechlemer for the Cholera Indication, the Company must receive Note Investor approval before prepaying the Note.

The foregoing descriptions of the Note and Note Purchase Agreement are not complete and are qualified in their entirety by reference to the Note and Note Purchase Agreement, respectively, which are filed as exhibits to our Current Report on Form 8-K filed with the SEC on January 22, 2021.

Global Amendments

On April 14, 2022, the Company entered into amendments with the Royalty Investors (collectively, the “Royalty Interest Global Amendments”), pursuant to which the Company was granted the right to exchange from time to time at the Company’s sole discretion all or any portion of the Royalty Interests for shares of the Company’s common stock at a price per share equal to the Nasdaq Minimum Price (as defined in Nasdaq Listing Rule 5635(d)) as of the date of the applicable exchange (the “Exchange Price”).

On April 14, 2022, the Borrower entered into an amendment to the Note (the “Note Global Amendment”), pursuant to which the Borrower was granted the right to exchange from time to time at the Company’s sole discretion all or any portion of the Note for shares of the Company’s common stock at a price per share equal to the Exchange Price.

Under the applicable rules of The Nasdaq Stock Market LLC (“Nasdaq”), in no event may the Company issue any shares of Common Stock upon exchange of the Royalty Interests or Note or otherwise pursuant to the terms of the Royalty Interests or Note if the issuance of such shares of Common Stock would exceed the requirements of The Nasdaq Capital Market (including the rules related to the aggregate of offerings under Nasdaq Listing Rule 5635(d) if applicable) (the “Exchange Cap”), unless the Company obtains stockholder approval to issue shares of Common Stock in excess of the Exchange Cap.

The foregoing descriptions of the Royalty Interest Global Amendments and the Note Global Amendment are not complete and are qualified in their entirety by the copies of the Royalty Interest Global Amendments and the Note Global Amendment attached as Appendix A and Appendix B, respectively, to this proxy statement, the Company’s Current Report on Form 8-K filed on April 15, 2022 and the transaction documents filed as exhibits to such report.

Stockholder Approval Requirements

Pursuant to Nasdaq Listing Rule 5635(d), stockholder approval is required prior to a 20% Issuance at a price that is less than the Minimum Price. For purposes of Nasdaq Listing Rule 5635(d), (A) “20% Issuance” means a transaction, other than a public offering, involving: (i) the sale, issuance or potential issuance by

us of Common Stock (or securities convertible into or exercisable for Common Stock), which alone or together with sales by our officers, directors or substantial stockholders equals 20% or more of Common Stock (which for purposes of this calculation, includes issued and outstanding shares of our voting Common Stock and non-voting common stock) or 20% or more of the voting power outstanding before the issuance and (B) “Minimum Price” means a price that is the lower of: (i) the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement; or (ii) the average closing price of Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement. Stockholder approval of this proposal will constitute stockholder approval for purposes of Nasdaq Listing Rule 5635(d).

The issuance of shares of Common Stock to Note Investor upon the exchange of the Note, together with the issuance of shares of Common Stock to Investors upon the exchange of the Royalty Interests, could result in the issuance of shares of Common Stock to the Investors that represents more than 20% of our Common Stock or 20% of the voting power outstanding prior to the issuance of the Note and the Royalty Interests.

On April 14, 2022, there were 77,858,506 shares of our Common Stock issued and outstanding. Accordingly, our issuance of more than 15,563,915 shares under the Note and the Royalty Interests requires the approval of our stockholders under Nasdaq Listing Rules 5635(d), assuming that the Note and the Royalty Interests transactions are integrated for purposes of the Nasdaq rules.

As a result, in order to enhance the Company’s overall capitalization and retain maximum flexibility to repay the Royalty Interests and Note in shares of Common Stock, we are seeking stockholder approval pursuant to Nasdaq Listing Rule 5635(d) for the issuance to the Investors of shares of Common Stock, from time to time at the Company’s discretion upon exchange of the Note and the Royalty Interests at the Exchange Price. If this proposal is approved, we will not solicit further authorization from our stockholders prior to any exchange of the Note or Royalty Interests pursuant to the terms thereof.

Impact of Stockholder Approval

If stockholders do not approve this proposal, shares of our Common Stock may not be issued in exchange transactions with the Royalty Investors and the Note Investor with respect to the Royalty Interests and the Note, respectively, in excess of the Exchange Cap, unless and until stockholder approval of this proposal is obtained.

Dilution and Potential Adverse Impact of this Proposal

The exchange of all or any portion of the Royalty Interests and the Note for shares of our Common Stock will have a dilutive effect on our current stockholders in that the percentage ownership of the Company held by our current stockholders would decline as a result of the issuance of additional shares of our Common Stock upon exchange of the Royalty Interests and the Note. As a result, our current stockholders would own a smaller proportionate interest in the Company and therefore have less ability to influence corporate decisions requiring stockholder approval. The issuance of shares of our Common Stock upon exchange of the Royalty Interests and the Note could also have a dilutive effect on our book value per share and on any future earnings per share, and the sale or any resale of such shares could cause prevailing market prices for our Common Stock to decline.

Because of the effective share price for any future exchange would be the Exchange Price as of the time of such exchange, the exact magnitude of the dilutive effect of future exchange transactions cannot be conclusively determined but may be material to our current stockholders. By way of example, based on an assumed effective Exchange Price of \$0.71 per share (the closing price on March 31, 2022) (the “Assumed Exchange Price”), and assuming that the full \$38.5 million aggregate outstanding amount of the Royalty Interests as of March 31, 2022 and full \$6.6 million outstanding amount of the Note as of March 31, 2022 is exchanged for shares, up to a maximum of 63,498,126 shares of our Common Stock would be issuable upon exchange of the Royalty Interests and the Note (without giving effect to any interest accrued beyond March 31, 2022). Based on the shares of our common stock outstanding as of March 31, 2022, the shares issued upon exchange of the Royalty Interests and the Note in full would represent approximately 45.2% of our outstanding Common Stock (after giving effect to such exchanges). The exchange price in connection

with future exchanges could be materially lower than the Assumed Exchange Price, which could have a significant dilutive effect on our current stockholders.

For illustration purposes only, below is a table showing the number of shares of Common Stock that may potentially be issued upon exchange of the outstanding balance of the Royalty Interests and the Note based on three hypothetical exchange prices, assuming that all \$38.5 million outstanding amount of Royalty Interests and all \$6.6 million outstanding amount of the Note is exchanged into shares. The number of shares issuable will correspondingly increase or decrease depending on the actual exchange price for the Royalty Interests and the Note.

	Scenario A*	Scenario B	Scenario C
Hypothetical Exchange Price	\$ 0.62	\$ 0.71	\$ 0.85
Hypothetical Aggregate Outstanding Amount of Royalty Interests	\$38,515,788	\$38,515,788	\$38,515,788
Hypothetical Aggregate Outstanding Amount of Note	\$ 6,567,882	\$ 6,567,882	\$ 6,567,882
Total Hypothetical Aggregate Outstanding Amount of Royalty Interests and Note	\$45,083,670	\$45,083,670	\$45,083,670
Total Number of Shares Issued Upon Full Exchange of Royalty Interests and Note	<u>72,715,596</u>	<u>63,498,126</u>	<u>53,039,611</u>

* More authorized shares would be needed to fully repay all the royalty interests and note in shares under Scenario A at a hypothetical exchange price of \$0.62 per share.

In addition, the exchange of all or any portion of the Royalty Interests and the Note for shares of our Common Stock may result in our having insufficient authorized capital stock to issue common stock to all of the holders of outstanding stock options, RSUs and warrants and we will have to seek stockholder approval to authorize additional shares of common stock in connection with the exercise of such outstanding securities or any future equity financing transactions. Our COI authorizes us to issue up to 150,000,000 shares of Common Stock, of which 77,863,506 shares were issued and outstanding as of April 25, 2022 and 6,953,014 of which are reserved for issuance upon exercise of options, warrants, vesting of RSUs. If all of our outstanding stock options and warrants were exercised and RSUs were to vest, the total number of shares of our Common Stock that we issue in connection with the exchange of the Royalty Interests and the Note may, depending on the Exchange Price, exceed the number of our remaining authorized but unissued shares of Common Stock. We cannot assure you that our stockholders will authorize an increase in the number of shares of our Common Stock in the future to the extent required. Our failure to have a sufficient number of authorized shares of Common Stock for issuance upon future exchange of our Royalty Interests and the Note, upon future exercise of our stock options and warrants or upon future vesting of RSUs could result in a breach under such securities, which could adversely affect our business, financial condition, results of operations and prospects.

Required Vote of Stockholders

To approve the issuance of shares of common stock upon the exchange of all or a portion of the Royalty Interests and the Note from time to time at the Company's sole discretion (this Proposal 3), the affirmative vote of the holders of a majority of shares of votes cast, in person or by remote communication, if applicable, or represented by proxy at the Annual Meeting, voting together as a single class and entitled to vote, is required. Although failure to submit a proxy or vote in person at the Annual Meeting, or a failure to provide your broker, nominee, fiduciary or other custodian, as applicable, with instructions on how to vote your shares will not affect the outcome of the vote on this proposal, the failure to submit a proxy or vote in person at the Annual Meeting will make it more difficult to meet the requirement under the Bylaws that the holders of 1/3 of our capital stock issued and outstanding and entitled to vote at the Annual Meeting be present in person or represented by proxy to constitute a quorum at the Annual Meeting.

The board of directors unanimously recommends that the stockholders vote "FOR" Proposal No. 3 to authorize the issue, pursuant to Nasdaq Listing Rule 5635(d), shares of common stock upon exchange of certain royalty interests and promissory note previously issued pursuant to the terms of such royalty interests and promissory note.

**PROPOSAL 4— GRANT OF DISCRETIONARY AUTHORITY TO ADJOURN THE ANNUAL MEETING
IF NECESSARY TO SOLICIT ADDITIONAL PROXIES**

Although it is not expected, the Annual Meeting may be adjourned for the purpose of soliciting additional proxies. Any such adjournment of the Annual Meeting may be made without notice, other than by the announcement made at the Annual Meeting, by approval of the holders of a majority of the outstanding shares of our Common Stock, present in person or represented by proxy and entitled to vote at the Annual Meeting. We are soliciting proxies to grant discretionary authority to the chairperson of the Annual Meeting to adjourn the Annual Meeting, if necessary, for the purpose of soliciting additional proxies in favor of Proposal 3. The chairperson will have the discretion to decide whether or not to use the authority granted to such person pursuant to this Proposal 3 to adjourn the Annual Meeting.

Required Vote of Stockholders

To approve the grant of discretionary authority to the chairperson of the Annual Meeting to adjourn the Annual Meeting, if necessary, for the purpose of soliciting additional proxies in favor of Proposal 3, the affirmative vote of the holders of a majority of votes cast by shares of our Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required. Although failure to submit a proxy or vote in person at the Annual Meeting, or a failure to provide your broker, nominee, fiduciary or other custodian, as applicable, with instructions on how to vote your shares will not affect the outcome of the vote on this proposal, the failure to submit a proxy or vote in person at the Annual Meeting will make it more difficult to meet the requirement under the Bylaws that the holders of 1/3 of our capital stock issued and outstanding and entitled to vote at the Annual Meeting be present in person or by proxy to constitute a quorum at the Annual Meeting.

The Board of Directors unanimously recommends that the stockholders vote “FOR” Proposal 4 to grant discretionary authority to adjourn the Annual Meeting, if necessary, to solicit additional proxies in favor of Proposal 3.

CORPORATE GOVERNANCE

Director Independence

Our Common Stock is listed on The Nasdaq Capital Market. Under Nasdaq rules, independent directors must comprise a majority of a listed company's board of directors. In addition, Nasdaq rules require that, subject to specified exceptions, each member of a listed company's Audit, Compensation and Nominating Committee must be independent. Audit Committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. Under Nasdaq rules, a director will only qualify as an "independent director" if, in the opinion of the company's board of directors, such person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

To be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, our board of directors, or any other board committee (1) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or (2) be an affiliated person of the listed company or any of its subsidiaries.

Our board of directors periodically undertakes a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our board of directors has determined that four of our five directors (i.e., Mr. Bochnowski, Mr. Micek, Mr. Siegel and Mr. Divis) do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the Nasdaq rules. Our board of directors also determined that Mr. Micek (chairperson), Mr. Bochnowski and Mr. Siegel, who comprise our Audit Committee, Mr. Bochnowski (chairperson) and Mr. Siegel, who comprise our Compensation Committee, and Mr. Bochnowski and Mr. Micek, who comprised our Nominating Committee, satisfy the independence standards for those committees established by applicable SEC rules and the Nasdaq rules and listing standards.

In making this determination, our board of directors considered the relationships that each non-employee director has with us and all other facts and circumstances our board of directors deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Audit Committee

The members of our Audit Committee are Mr. Micek, Mr. Bochnowski, and Mr. Siegel. Mr. Micek is the chairperson of the Audit Committee. Our Audit Committee's responsibilities include:

- appointing, approving the compensation of, and assessing the independence of our registered public accounting firm;
- overseeing the work of our independent registered public accounting firm, including through the receipt and consideration of reports from that firm;
- reviewing and discussing with management and our independent registered public accounting firm our annual and quarterly financial statements and related disclosures;
- monitoring our internal control over financial reporting, disclosure controls and procedures and code of conduct;

- preparing the Audit Committee report required by SEC rules.

All audit and non-audit services, other than *de minimis* non-audit services, to be provided to us by our independent registered public accounting firm must be approved in advance by our Audit Committee.

Our board of directors has determined that each of Mr. Micek, Mr. Bochnowski, and Mr. Siegel is an independent director under Nasdaq rules and under Rule 10A-3. All members of our Audit Committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and Nasdaq. Our board of directors has determined that Mr. Micek is an "audit committee financial expert," as defined by applicable SEC rules, and has the requisite financial sophistication as defined under the applicable Nasdaq rules and regulations.

The Audit Committee held four meetings in 2021. The audit committee has adopted a written charter approved by our board of directors, which is available on our website at: <https://jaguarhealth.gcs-web.com/static-files/aeabd726-16c2-4219-a755-475e9c87b851>.

Compensation Committee

The members of our Compensation Committee are Mr. Bochnowski (chairperson) and Mr. Siegel. Mr. Bochnowski is the chairperson of the Compensation Committee. Our Compensation Committee's responsibilities include:

- determining, or making recommendations to our board of directors with respect to, the compensation of our Chief Executive Officer;
- determining, or making recommendations to our board of directors with respect to, the compensation of our other executive officers;
- overseeing and administering our cash and equity incentive plans;
- reviewing and making recommendations to our board of directors with respect to director compensation; and
- preparing the Compensation Committee report and necessary disclosure in our annual proxy statement in accordance with applicable SEC rules.

To determine compensation, the Compensation Committee, with input from the Chief Executive Officer (who does not participate in the deliberations regarding her own compensation), reviews, at least

annually, and makes recommendations to the board of directors about appropriate compensation levels for each executive officer of the Company. The Compensation Committee considers all factors it deems relevant in setting executive compensation.

Our board has determined that each of Mr. Bochnowski (chairperson) and Mr. Siegel is independent under the applicable Nasdaq rules and regulations, is a “non-employee director” as defined in Rule 16b-3 promulgated under the Exchange Act, and is an “outside director” as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee held 5 meetings in 2021. All compensation-related matters were approved at the board of directors’ level. The Compensation Committee has adopted a written charter approved by the board of directors, which is available on our website at: <https://jaguarhealth.gcs-web.com/static-files/653862da-1aa9-4819-b559-5c5654189e80>. Under its charter, the Compensation Committee has the authority, in its sole discretion, to select, retain and obtain the advice of a compensation consultant as necessary to assist with the execution of its duties and responsibilities as set forth in its charter but only after taking into consideration factors relevant to the compensation consultant’s independence from management specified in Nasdaq Listing Rule 5605(d)(3)(D). The Compensation Committee currently has not retained or sought advice from a compensation consultant.

Nominating Committee

The members of our Nominating Committee are Mr. Bochnowski and Mr. Micek. Our Nominating Committee’s responsibilities include:

- identifying individuals qualified to become members of our board of directors;
- evaluating qualifications of directors;
- recommending to our board of directors the persons to be nominated for election as directors and to each of the committees of our board of directors; and
- overseeing an annual evaluation of our board of directors.

The Nominating Committee did not hold any meetings in 2021. All nomination-related matters were approved at the board of directors’ level. The Nominating Committee has adopted a written charter approved by the board of directors, which is available on our website at: <https://jaguarhealth.gcs-web.com/static-files/02dfed04-9508-44cd-a96a-3215e565111c>.

Meetings and Attendance During 2021

The board of directors held 17 meetings in 2021. Each director who served as a director during 2021 participated in 75% or more of the meetings of the board of directors and of the committees on which he or she served, if any, during the year ended December 31, 2021 (during the period that such director served).

We do not have a written policy on director attendance at annual meetings of stockholders. We encourage, but do not require, our directors to attend the Annual Meeting. One director attended the 2021 Annual Meeting of Stockholders.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our President and Chief Executive Officer, our Chief Financial Officer and other employees who perform financial or accounting functions. The Code of Business Conduct and Ethics sets forth the basic principles that guide the business conduct of our employees. A current copy of the code is on our website at <https://jaguarhealth.gcs-web.com/corporate-governance>. We intend to disclose future amendments to certain provisions of our code of business conduct and ethics, or waivers of such provisions on our website to the extent required by applicable rules and exchange requirements. The inclusion of our website address in this proxy statement does not incorporate by reference the information on or accessible through our website into this proxy statement.

Policy Against Pledging and Hedging of the Company's Securities

Our Policy on Insider Trading and Tipping expressly prohibits directors, officers, employees and other persons determined by us to be "Insiders," including their immediate family members sharing the same household and entities over which they exercise control, from engaging in hedging transactions involving our securities (or any other financial transactions that are designed to hedge or offset any decrease in market value of our equity securities) without advance approval from the Compliance Officer. The policy similarly prohibits such individuals from holding our securities in a margin account and pledging our securities as collateral for loans without advance approval from the Compliance Officer. The policy applies to all of our securities held, excluding the exercise of options for cash under an equity plan of the Company, bona fide gifts of our securities and transactions in our securities made through an authorized Rule 10b5-1 trading plan. There were no exceptions approved by the Compliance Officer during the last fiscal year.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee has ever been an officer or employee of our Company. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or Compensation Committee or other board committee performing equivalent functions of any entity that has one or more of its executive officers serving on our board of directors or Compensation Committee.

Limitation of Liability and Indemnification

The COI and Bylaws contain provisions that limit the personal liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Delaware law provides that directors of a corporation will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for:

- any breach of the director's duty of loyalty to us or our stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; or
- any transaction from which the director derived an improper personal benefit.

Such limitation of liability does not apply to liabilities arising under federal securities laws and does not affect the availability of equitable remedies, such as injunctive relief or rescission.

The COI provides that we indemnify our directors to the fullest extent permitted by Delaware law. In addition, the Bylaws provide that we indemnify our directors and officers to the fullest extent permitted by Delaware law. The Bylaws also provide that we shall advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity, regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. We have entered and expect to continue to enter into agreements to indemnify our directors, executive officers and other employees as determined by our board of directors. With certain exceptions, these agreements provide for indemnification for related expenses including, among others, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in the COI and Bylaws and our indemnification agreements, may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty of care. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Furthermore, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and

damage awards against directors and officers. There is no pending litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought, and we are not aware of any threatened litigation that may result in claims for indemnification.

Board Leadership Structure

The Bylaws and corporate governance guidelines provide our board of directors with flexibility in its discretion to combine or separate the positions of Chairperson of the board of directors and chief executive officer. As a general policy, our board of directors believes that separation of the positions of Chairperson and chief executive officer reinforces the independence of the board of directors from management, creates an environment that encourages objective oversight of management's performance and enhances the effectiveness of the board of directors as a whole. We expect and intend the positions of Chairperson of the board and chief executive officer to be held by two individuals in the future.

Risk Oversight

Our board of directors monitors our exposure to a variety of risks through our Audit Committee. Our Audit Committee charter gives the Audit Committee responsibilities and duties that include discussing with management and the independent auditors our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. Our Audit Committee is also responsible for monitoring and controlling exposures to cybersecurity risks and discussing such risks with management.

Nomination of Directors

There have been no material changes to the procedures by which stockholders may recommend nominees to our board of directors. Recommendations to the board of directors for election as directors of Jaguar at an annual meeting may be made only by the Nominating Committee or by the Company's stockholders (through the Nominating Committee) who comply with the timing, informational, and other requirements of the Bylaws. Stockholders have the right to recommend persons for nomination by submitting such recommendation, in written form, to the Nominating Committee, and such recommendation will be evaluated pursuant to the policies and procedures adopted by the board of directors. Such recommendation must be delivered to or mailed to and received by the Secretary of the Company at the principal executive offices not less than 90 days nor more than 120 calendar days prior to the first anniversary of the date the preceding year's annual meeting, except that if no annual meeting of stockholders was held in the preceding year or if the date of the annual meeting of stockholders has been changed by more than 30 calendar days from the date contemplated at the time of the preceding year's proxy statement, the notice shall be received by the Secretary at the Company's principal executive offices not less than 150 calendar days prior to the date of the contemplated annual meeting or the date that is 10 calendar days after the date of the first public announcement or other notification to stockholders of the date of the contemplated annual meeting, whichever first occurs. The deadline to submit recommendations for election as directors at the 2022 Annual Meeting has already passed.

The Nominating Committee, in accordance with the board of directors' governance principles, seeks to create a board that has the ability to contribute to the effective oversight and management of the Company, that is as a whole strong in its collective knowledge of and diversity of skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business judgment, biotechnology industry knowledge, corporate governance and global markets. The Nominating Committee does not currently have a policy with regard to the consideration of diversity in identifying director nominees. When the Nominating Committee reviews a potential new candidate, the Nominating Committee looks specifically at the candidate's qualifications in light of the needs of the board of directors and the Company at that time given the then current mix of director attributes.

General criteria for the nomination and evaluation of director candidates include:

- loyalty and commitment to promoting the long-term interests of the Company's stockholders;
- the highest personal and professional ethical standards and integrity;

- an ability to provide wise, informed and thoughtful counsel to top management on a range of issues;
- a history of achievement that reflects superior standards for themselves and others;
- an ability to take tough positions in constructively challenging the Company's management while at the same time working as a team player; and
- individual backgrounds that provide a portfolio of personal and professional experience and knowledge commensurate with the needs of the Company.

The Nominating Committee must also ensure that the members of the board of directors as a group maintain the requisite qualifications under the applicable Nasdaq Stock Market listing standards for populating the Audit, Compensation and Nominating Committees.

Written recommendations from a stockholder for a director candidate must include the following information:

- the stockholder's name and address, as they appear on our corporate books;
- the class and number of shares that are beneficially owned by such stockholder;
- the dates upon which the stockholder acquired such shares; and
- documentary support for any claim of beneficial ownership.

Additionally, the recommendation needs to include, as to each person whom the stockholder proposes to recommend to the Nominating Committee for nomination to election or reelection as a director, all information relating to the person that is required pursuant to Regulation 14A under the Exchange Act, as amended, and evidence satisfactory to us that the nominee has no interests that would limit their ability to fulfill their duties of office.

Once the Nominating Committee receives a recommendation, it will deliver a questionnaire to the director candidate that requests additional information about his or her independence, qualifications and other information that would assist the Nominating Committee in evaluating the individual, as well as certain information that must be disclosed about the individual in the Company's proxy statement, if nominated. Individuals must complete and return the questionnaire within the time frame provided to be considered for nomination by the Nominating Committee.

The Nominating Committee will review the stockholder recommendations and make recommendations to the board of directors that the Committee feels are in the best interests of the Company and its stockholders.

The Nominating Committee has not received any recommendations from stockholders for the Annual Meeting.

AUDIT COMMITTEE REPORT

Management has primary responsibility for our financial statements and the overall reporting process, including maintaining effective internal control over financial reporting and assessing the effectiveness of our system of internal controls. The independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present our financial position, results of operations and cash flows in conformity with U.S. generally accepted accounting principles, and discusses with the Audit Committee any issues it believes should be raised with the Audit Committee. These discussions include a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Audit Committee monitors our processes, relying, without independent verification, on the information provided to it and on the representations made by management and the independent registered public accounting firm.

RBSM LLP (“RBSM”), our Company’s independent auditor for the year ended December 31, 2021, is responsible for expressing an opinion on the fairness of the presentation of the Company’s financial statements in conformity with accounting principles generally accepted in the United States of America, in all material respects.

In this context, the Audit Committee has reviewed and discussed with management and RBSM the audited financial statements for the year ended December 31, 2021. The Audit Committee has discussed with RBSM the matters that are required to be discussed under the Public Accounting Oversight Board Auditing Standard No. 1301 “*Communications with Audit Committees*”. RBSM has provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board’s Ethics and Independence rule 3526 “*Communications with Audit Committees Concerning Independence*”, and the Audit Committee has discussed with RBSM that firm’s independence.

The Audit Committee has concluded that RBSM’s provision of audit and non-audit services to the Company are compatible with RBSM’s independence.

Based on the considerations and discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited financial statements for the year ended December 31, 2021 be included in our Annual Report on Form 10-K. This report is provided by the following independent directors, who comprise the Audit Committee:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Recitals. Each of the parties hereto acknowledges and agrees that the recitals set forth above in this Amendment are true and accurate and are hereby incorporated into and made a part of this Amendment.

Company hereby acknowledges and agrees that the execution of this Amendment by Investor shall not constitute an acknowledgment of or admission by Investor of the existence of any claims or of liability for any matter or precedent upon which any claim or liability may be asserted.

(e) Company represents and warrants that as of the date hereof no Events of Default or other material breaches exist under the Royalty Interest, or have occurred prior to the date hereof.

Except as expressly set forth herein, the execution, delivery, and performance of this Amendment shall not operate as a waiver of, or as an amendment to, any right, power, or remedy of Investor under the Royalty Interest, as in effect prior to the date hereof.

6. No Reliance.
